Dear Veterans,

The Wilson County Historical Society wants to collect as many World War II histories of Wilson County veterans as possible to put in a volume to be kept at the Wilson County Library for future reference. It would be greatly appreciated by the committee doing this if you would put in writing (you may already have) your World War II service history and send it to Mrs. Betty Ray McCain, 1134 Woodland Drive, Wilson, NC, 27893 or to me at the address below. If you have questions about our project, contact me and I will be happy to discuss it with you or send you a sample of a history we already have on hand. Thanks for your help.

Sincerely,

John N. Hackney, Jr.
