Dedication

We proudly dedicate this evening of entertainment to you, the PATRONS of our Eleventh Annual Jabberwock. We are happy to have the opportunity of again presenting to you our yearly program. May your evening be an enjoyable one.

Theme: FANTASY OF SONGS

Origin of the Jabberwock

It was the custom of the Jabberwocky, a mythical character from Alice in Wonderland, to call together members of his kingdom once a year to present a colorful pageant. The Jabberwocky was so called because of the many different parts which are necessary to make him a fascinating creature. In like manner, chapters of Delta Sigma Theta Sorority invite organizations in their various communities to present original short skits which together make up an evening's entertainment.
