A Brief History of Alpha Theta Omega's Debutante Ball

1937-1962

Alpha Theta Omega Chapter of Alpha Kappa Alpha Sorority had been organized nine years when the idea of the Debutante Ball was conceived. From a very small beginning in 1937 at the Arcade Hotel with the presentation of eleven young ladies, the event was next moved to the Colonnade. As the number of participants increased year by year, the Raleigh Memorial Auditorium was selected in 1948 as the place to present the Debutantes. This event is now considered one of the most gala affairs of the Winter social season.

In November, 1961, eighty-seven young women made their bows to society. In 1962, following the same tradition, Alpha Theta Omega's aim is to help elevate the educational, social and cultural level of our girls from the local community, the State of North Carolina and other states of the United States.

Since the inception of the Ball, thousands of words have been written describing the hundreds of young ladies who have borne the label of an "A.K.A. Debutante." The scope of activities accompanying the Ball has also broadened to more and larger scholar-

ships, charm and vocational career clinics, cultural activities involving tours of historical interest, lecture series, informal social hours, closer cooperation with parents, and wider community activities.

On the chapter roster over the past several years and also at the present time are listed the names of the early Debutantes who later became members of Alpha Theta Omega: Sorors Elsie Hunt Perry, Jacqueline Cooper Flowers, Margaret Leake Whitaker, Paltine Horton Jowers, Elsie Herndon Cooley, Delores Baker Wilder, and Anne Goode Fulford. Daughters of sorors who were Debutantes and later became sorors are Jeanne Eaton and Barbara Crockett Dease.

Alpha Kappa Alpha Sorority appreciates the many parents, guardians and friends who have helped with this activity over the twenty-five years and have so generously supported the girls and extended their good will to the officers and members of the sorority.

We are looking forward to greeting you at the twenty-fifth annual Debutante Ball on November 23, 1962.

Dedication

SOROR SUSIE VICK PERRY

A tireless and dedicated charter member of Alpha Theta Omega Chapter of Alpha Kappa Alpha Sorority for twenty-five years.

During these years, Soror Perry has served the sorority as Basileus, Grammateus, Tamiochus, Dean of Pledges, Chairman of Health Projects, and Chairman of the Vocational Guidance Program. While serving as Basileus she saw the Debutante Ball extend its program out of the realm of Raleigh and Wake County in the selection of Debutantes. During her chairmanship of the Debutante Ball the program was extended to the Raleigh Memorial Auditorium.

As chairman of the Vocational Guidance Program she has made it possible for hundreds of high school seniors and Debutantes to benefit from the experience of many experts in various fields.

Soror Perry gave leadership for making possible a substantial Student Loan Fund for Saint Augustine's College and Shaw University from which many students have benefited.

As a high school chemistry teacher, she was recognized in 1960-61 as one of the five outstanding chemistry teachers of the year in North Carolina.

Soror Perry represented the Raleigh Wake County Chapter at the 1959 Regional Meeting of the National Foundation of Infantile Paralysis at Tuskegee Institute, Tuskegee, Alabama. She was also a representative at the annual conference of the Wake County Tuberculosis Association at Lake Junaluska, N. C., during the summer of 1962.

She is the wife of Dr. N. L. Perry and mother of Lloydine, a student at Howard University. She is a member of the First Baptist Church, Raleigh, North Carolina.

Because of her unselfish and devoted years of service, Sorors of Alpha Theta Omega Chapter of Alpha Kappa Alpha believe that she will be listed among the immortals in Alpha Kappa Alpha sisterhood.

Soror Susie Vick Perry, Alpha Theta Omega Chapter of the Alpha Kappa Alpha Sorority salutes you on this our 25th Anniversary of the Debutante Ball.
