## TO PROSPECTIVE MEMBERS ...

Three years ago, the **TEE OFF CLUB** opened with a clubhouse, 18 hole miniature golf course, a 10-pad driving range, a screened-in patio that accommodates over one hundred persons and a one-acre pond for fishing and spacious areas for picnic grounds.

NOW, the club will be known as the **TEE OFF COUNTRY CLUB**. This change is made in keeping with the demands of those who have enjoyed the club's facilities and who are interested in a first-class recreational area for relaxation and amusement.

UNDER CONSTRUCTION IS A 3-PAR,  
9-HOLE GOLF COURSE.
