ALPHA KAPPA ALPHA DEBUTANTE BALL 1937-1970

Alpha Theta Omega Chapter of Alpha Kappa Alpha Sorority is pleased to present to our old friends, new friends and patrons, the Thirty-third Annual Debutante Ball. The young ladies making their formal bow to society exemplify attributes in scholarship, talent, dignity, poise, cooperation, responsibility, character, beauty and personality. The continued success of the Ball has been due to the cooperation and involvement of our past and present parents and friends of the community and the Sorority. Through their fine efforts the Sorority has been able to perpetuate its many Educational, Cultural, Social and Charitable programs.

The 1969-70 Scholarship program had an investment of \$4,500.00 which was sent to Debutantes matriculating at colleges throughout the U. S.

In the past three years, awards were also given to three young men who made worthy contributions to the Debutantes' Yearly Program, their school and community.

The 1969-70 Debutantes participated in many civic, cultural and educational projects throughout the year. Among the most rewarding were: The visit to Gravelly Sanitarium to distribute gifts and cheer to the patients; The Talent Show and gifts were presented to the Forgotten Patients at Dorothea Dix Hospital and participation in Environmental Teach-In Day at the Raleigh Public Schools.

Each year, the Debutantes are presented many fine gifts from the Sorority as a token of appreciation for diligent efforts shown in making the Ball successful. These gifts include such items as televisions, radios, cameras, record players, tape recorders and players, make-up mirrors, jewelry boxes, sterling silver bracelets and charms. The presentations are made at the Thursday night semi-formal dance.

The Debutante Program has grown from 1937 with the presentation of 11 young ladies to 101 in 1967, 103 in 1968 and 92 in 1969. We thank you for your interest in the past and solicit your continued support.
