ALPHA KAPPA ALPHA DEBUTANTE BALL 1937-1968

Raleigh Alumnae Chapter of Alpha Kappa Alpha Sorority is pleased to present to our old friends, new friends, and patrons the Thirty-first Annual Debutante Ball. The young ladies whom you are about to meet have accent on scholarship, talent, dignity, poise, cooperation, responsibility, beauty, personality, and character. The continued success of the Ball has been due to the cooperation of our past and present parents who have helped the Sorority foster its many Educational, Cultural, Social, and Charitable Programs.

The 1967-68 Scholarship program had an investment of \$4500.00 which was sent to Debutantes matriculating at many colleges throughout the United

States. This one aspect of our program enables us to show to the public our deep appreciation for their support.

The 1967-68 Debutante chose two projects: Audio-Visual Aid materials for the J. W. Ligon High School and Presentation of an entertainment program at the Dorothea Dix Hospital, where they also presented a transistor radio.

The Debutante Program has grown from 1937 with the presentation of 11 young ladies to 81 in 1961, 83 in 1966, and 103 in 1968. We thank you for your interest in the past and solicit your continued support.
