Obituary

Daddy lived a very fulfilled life, there was nothing that he wanted to do that he didn't accomplish, no where he wanted to go, that he didn't go. He was the backbone of our family and every other family that needed him. Whenever there was a need in the community or the area, Daddy was always there. Whatever we wanted or needed, Daddy always made a way for us to accomplish our needs and wants. We always said his last name "Goins" fit him and us perfectly, "Goins-going".

We were always going on family trips, whether a long distance or a short trip, we always found the time and way to do this together. We will truly miss you, Daddy, but we know that you are in a better place. We promise you to continue to stick together and take very good care of Mom.

*Your loving kids,
Faye, Rachel, PeeWee, Jo*
