~Interment~

Holy Trinity Cemetery

God saw the road was getting rough

His hills too hard to climb

So quietly He called him home

Sweet peace be thine

No one heard the door that opened

As he passed beyond recall

No one saw the hand that beckoned

Or heard the voice that called

We cannot keep from wondering

No matter how hard we try

And in our sad and troubled hearts

We keep on asking, Why?

The reason's hidden somewhere in the

Patterns God has planned

We must believe and trust Him

And someday we'll understand.
