Done in Sorrow: The Family

*In tears we saw you sinking and watched you fade away,
Our hearts were almost broken-we wanted you to stay.
But when we saw you sleeping, so peaceful, free from pain,
How could we wish you back with us, to suffer that again.
It broke our hearts to lose you, but you did not go alone,
For a part of us went with you, the day God took you home.
We do not know the pain you bore, we did not see you cry.
We only know you went away and did not say good-bye.*
