Poem

Words cannot soften our sorrow
Or lessen our sadness today
But we will find comfort and solace
As time goes along its way.
For the love of this wonderful person,
Lives in our hearts through each year
And death cannot mean that we have lost her,
For in memory, she will always be near.

Acknowledgements

We have lost someone very special . . .

The flowers you sent that day,
The cards you mailed along the way,
The service you stopped to render,
The gift you brought with thoughts so tender,
The prayers you said which played a part
In easing the pain that was in our hearts.
Each helped to find the strength to bear
The loss of the one we love so dear.
It was to us a comfort indeed
To see you in the time of sorrow and need.
So from our hearts which you tried to mend,
We thank you sincerely again and again,
For being such truly and wonderful friends!!!
