Sometimes it's hard to understand

And harder still to say

Thy will be done,

When sorrow comes

And sadness fills the day.

But faith was meant for times like these

And if we take God's hand,

With loving wisdom He will help

Our hearts to understand

Teach Me How To Pray

*You taught us how to patty-cake and bake a little man
And simple words to say
You sang to us sweet lullabies
Now, teach us, "Bebat", to pray
You taught us how to tie our shoes
You taught us how to play
You taught us manners when we ate
Now, teach us, "Bebat", to pray
You taught us how to count
And you made our beds
You taught us, oh, so many things
Now teach us, "Bebat" to pray.
Of all the things you did for us
Throughout so many years,
You tied our shoes, you baked us turkeys
You dried our tears, you made our beds.
Of all the many little things
We learned along the way
For this one thing we are thankful for the most
You taught us, "Bebat" to pray!*

Thanks "Bebat",

Obituary

**Bebat, God saw you getting tired,
And a cure was not to be
So He put His arms around you
And whispered so gently "Come go with me"
With heavy hearts
We watched you suffer and fade away
Although we love you dearly
We could not keep you here
A golden heart stopped beating
Slow paced feet to rest
God broke our hearts to prove to us
He only takes the best.**
