Always

*You came into the world
a bundle of joy,
And now you've left us
gone afar,
Traveling to a home
beyond the sky,
But still with us
we'll never say good-bye.
All the life we lived
through will still remain,
And all that we shared
will stay the same
Soon we'll all be together —
it's not an ending, but a start,
You're instilled through God
always loving in our heart.*

— THE FAMILY —

The Golden Stair

*Do you love me or do you not? You told me once
before but I forgot. I do believe that God above
sent you here for me to love. He picked you out
of all the rest, because he knew that I'd love you
best. I had a heart, and it is true, but now it's
gone from me to you. So take good care as I have
done, for now you have two and I have none. If
I get to heaven and you're not there, I'll write your
name upon "The Golden Stair", so all the angels
around can see just how much you mean to me.
If ten years have passed and you're still not there,
I'll know you went the other way, so I'll give the
angels back their wings, of golden hairs and silver
strings; and just to prove my love is true, I'd go
to hell just to be with you.*

*You best believe it's true!!
So love me or leave me!!*
