I want to know, when day is done
That life has been worth living
That I have brought someone joy
Through kind unselfish giving.

I want to feel when evening fall
And shadows quickly lengthen
That I have made someone glad,
Some weakness I have strengthened.

I want to know, that come what may,
I've left some cheer and gladness;
I want to know that on my way
I've banished someone's sadness.

I want to feel at close of day
That someone's care were lightened
Because of kindness I have done,
May someone's life be brightened
