Little did we know that morning
the sorrow that day would bring
The end was sudden, the shock severe
to part with one we loved so dear.
Not being able to say good-bye
will always bring regret,
But the ones who loved you dearly,
are the ones who won't forget.
A million times we will have cried,
if love alone could have saved you,
You never would have died,
In life we loved you dearly,
In death we love you still,
You'll hold a place in our hearts,
No one will ever fill.
