SHOULD YOU BE FIRST

Should you go first and I remain
To walk the road along,
I'll live in memory's garden, dear
With happy days we've known
In Spring I'll watch for roses red
When fades the lilac blue
In early Fall when brown leaves call
I'll catch a glimpse of you
Should you go first and I remain
Only thing I'd have you to do;
Walk slowly down that long, lone path
For soon I'll follow you
I'll want to know each step you take
That I may walk the same
For someday, down that lonely road,
You'll hear me call your name.
