*I want to know, when day is done  
That life has been worth living  
That I have brought someone joy  
Through kind unselfish giving.*

*I want to feel when evening falls  
And shadows quickly lengthen  
That I have made some one glad,  
Some weakness I have strengthened.*

*I want to know, that come what may,  
I've left some cheer and gladness  
I want to know that on my way  
I've banished someone's sadness.*

*I want to feel at close of day  
That someone's cares were lightened  
Because of kindness I have done  
May someone's life be brightened.*
