Dear Mrs. Faunce:

We have been informed by Mr. Weaver, the Postmaster of the new post office in Kings Mountain that you may have a problem with the Post Office property and/or construction along you common boundary line.

Our office is unaware of any claim or problem of this nature and would appreciate it very much if you would call or write us about it, in order that we may take appropriate action.

In the event that you wish to, give us a call and we will be happy to meet to discuss any problem that you may have in this connection. We will look forward to hearing from you.

Very truly yours,
