In Force July 7, 1909**

That any person who wilfully and for profit shall infringe any copyright secured by this act, or who shall knowingly or wilfully aid or abet such infringement, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by imprisonment for not exceeding one year, or by a fine of not less than one hundred dollars nor more than one thousand dollars, or both, in the discretion of the court.

PUBLISHERS NOTE

The information in this Directory is gathered by an actual canvass and is compiled in a way to insure maximum accuracy.

The publishers cannot and do not guarantee the correctness of all information furnished them nor the complete absence of errors or omissions, hence no responsibility for same can be or is assumed.

The publishers earnestly request the bringing to their attention of any inaccuracy so that it may be corrected in the next edition of the directory.

HILL DIRECTORY CO., INC., Publishers

INTRODUCTION AND GENERAL INDEX

HILL DIRECTORY CO., Inc., publishers of Southeastern Directories, present to subscribers and the general public, this, the 1952 edition of the Durham City Directory, which also includes Bragtown, Hope Valley, Joyland, Rockwood, Rollingwood, Sherron Acres and Tuscaloosa Forest.

Confidence in the continued growth of Durham's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Durham to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Durham Directory will fulfill its mission as a source of authentic information pertaining to the community.

Five Major Departments (Each department beginning with Page 1)

The five major departments are arranged in the following order:—

I. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is the first major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Durham and vicinity, and the name, official personnel, nature and address of each firm and corporation.

II. THE BUYERS' GUIDE, the second major department, printed on goldenrod paper, contains the advertisements of leading manufacturing, business and professional interests of Durham and vicinity. The advertisements are indexed under headings descriptive of the business represented. This is reference advertising at its best, and merits a survey by all buyers eager to familiarize themselves with sources of supply. In a large commercial and industrial center like Durham, the necessity of having this kind of information immediately available, is obvious. General appreciation of this fact is evidenced by the many reference users of this City Directory service.

III. THE CLASSIFIED BUSINESS DIRECTORY is the third major department, printed on yellow paper. This department lists the names of all business and professional concerns in alphabetical order under appropriate headings. This feature constitutes an invaluable and indispensable catalog of the numerous interests of the community. The Directory is the common intermediary between buyer and seller. As such it plays an important part in the daily activities of the commercial and professional world. More buyers and sellers meet through the Classified Business Directory than through any other medium.

IV. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, on pink paper, is the fourth major department. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of tenant-owned homes and the designation of homes and places of business having telephones.

V. THE NUMERICAL TELEPHONE DIRECTORY, on blue paper, is the fifth major department.

Community Publicity

The Directory reflects the achievements and ambitions of the community, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Durham and vicinity.

The Durham Directory Library

Through the courtesy of the publishers of the Durham City Directory, a Directory Library is maintained in the offices of the Durham Chamber of Commerce, for free reference by the general public. This is one of more than 600 Directory Libraries installed in the chief

160815

cities of the U. S. and Canada by members of the Association of North American Directory Publishers, under whose supervision the system is operated.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

HILL DIRECTORY CO., Inc.,

DURHAM

FRIENDLY CITY OF INDUSTRY, EDUCATION AND MEDICINE

(Courtesy Durham Chamber of Commerce)

STATISTICAL REVIEW

Form of Government—Council-manager.

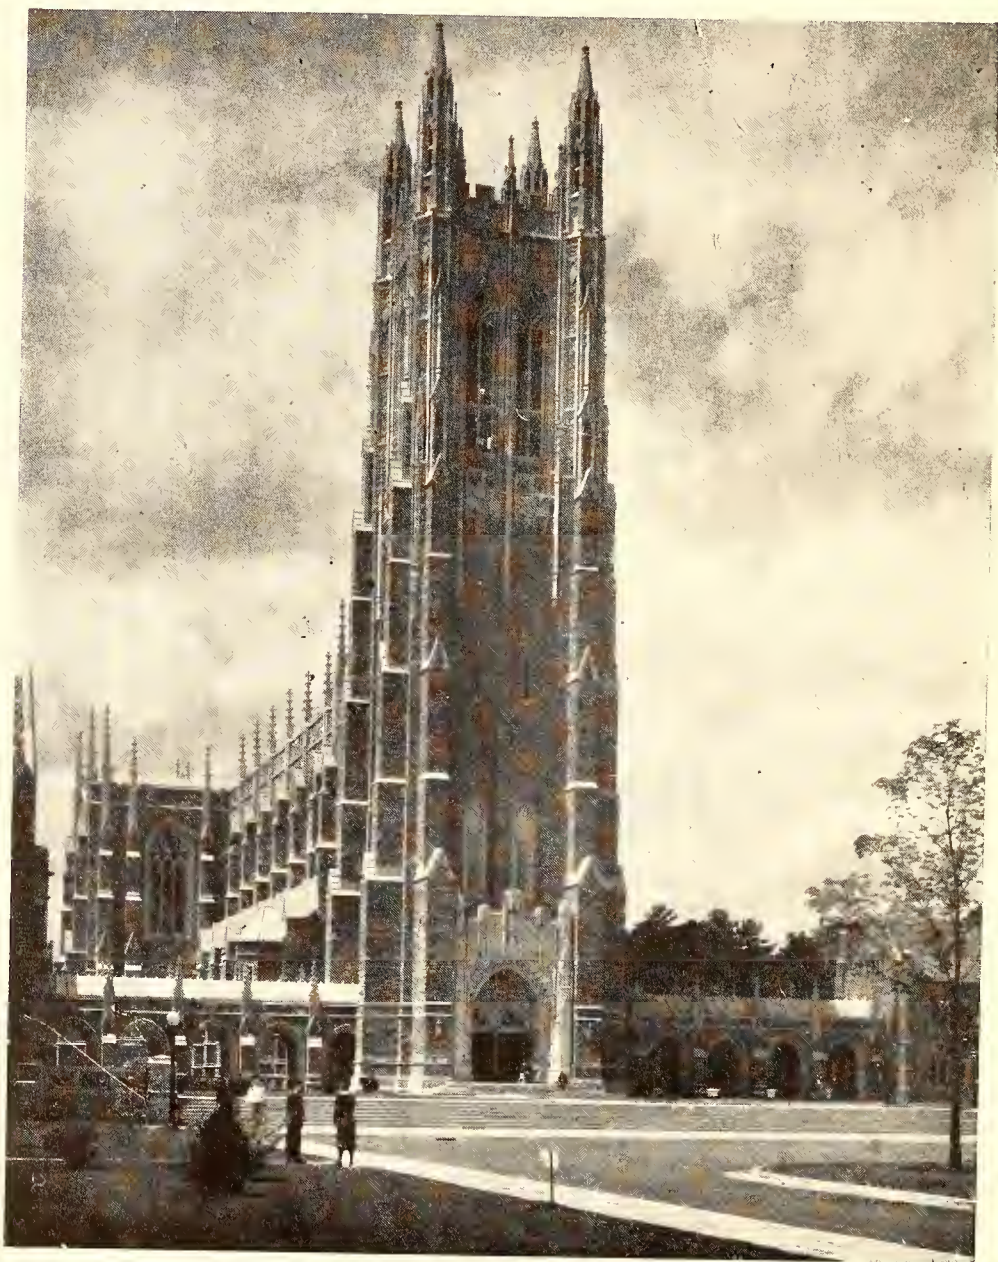

Population—City, 71,311; metropolitan area (county), 101,639 (1950 U. S. Census report).
American-born, 99.3%.

Area—12.8 square miles.

Altitude—406 feet above sea level.

Climate—Mean annual temperature, 59.6 degrees F.; average annual rainfall, 47.19 inches.

Parks—11, with total of 224 acres, valued at \$662,685. Also 17 City playgrounds and 2 golf courses.

Duke University Chapel Tower

Assessed Valuation—\$147, 221, 344, with \$1.70 per \$100 tax rate.

Bonded Debt—\$8, 193, 000.

Financial Data—5 commercial banks, with total deposits of \$74,399,433 (Dec. 31, 1951), and total resources of \$81,080,242 (Dec. 31, 1951). 2 industrial banks, with total deposits of \$3,598,727 (Dec. 31, 1951), and total resources of \$4,608,586 (Dec. 31, 1951). 4 building and loan associations, with total assets of \$28,330,040 (Dec. 31, 1951).

Postal Receipts—\$815,000 (calendar year 1951).

Telephones in Service—27,349 (Dec. 31, 1951).

Churches—131, representing 20 denominations.

Building and Construction—1,493 permits, with total value of \$9,287,844, issued in 1951.

Total number of dwelling units, 19, 118.

Industry—Chief industry is manufacturing, 108 manufacturing establishments, employing 17,000 persons, paying wages of \$31,207,082 annually, and having products valued at \$200, - 000,000 annually, with principal products as follows: Cigarettes, smoking tobacco, sheets and pillow cases, hosiery, flour, corrugated fibreboard and wooden containers, proprietary medicines, furniture, brick, mattresses, and foundry and machine-shop products. Durham manufactures 19% of the nation's cigarettes (44 brands), including the famous Chesterfields, Lucky Strikes, Pall Malls and Herbert Tareytons. Also the famous Duke's Mixture and Bull Durham smoking tobaccos.

Trade Area—Retail area has radius of 25 to 40 miles, and population of 375,422; whole-sale area, radius of 375 miles, and population of 10,000,000.

Newspapers—2 dailies, 1 Sunday and 3 weeklies.

Radio Stations—3: WDNC, WDNC-FM, WTIK and WSSB.

Hotels—4, with total of 627 rooms.

Railroads—5: Southern, Seaboard Air Line, Norfolk & Western, Durham & Southern, and Norfolk Southern, operating 7 lines.

Bus Lines—6 intra-city.

Highways—U. S. 15, 70, 264 and 501; State 55.

Airports—1, owned jointly by Durham and Raleigh. City served by Eastern, Capital and Piedmont air lines.

Auto Registrations—34,666 (Dec. 31, 1951).

Amusements—Largest auditorium in city seats 2,500 persons. 7 moving-picture theatres, with total seating capacity of 5,225 persons. 1 "legitimate" theatre, seating 1,700. 2 golf courses (18 holes).

Hospitals—6, with total of 1,214 beds. Construction near completion on new 500-bed Veterans Hospital.

Education—Duke University, Croft Secretarial School, Kennedy's Commercial School, and North Carolina College for Negroes. 22 public schools, including 2 senior high and 3 junior high. 1 parochial school and 2 private schools. Number of pupils in public schools, 11,220; in parochial, 176. Number of teachers in public schools, 433; in parochial, 5. Value of public school property, \$6,897,069; parochial, \$115,000; college, \$39,279,000.

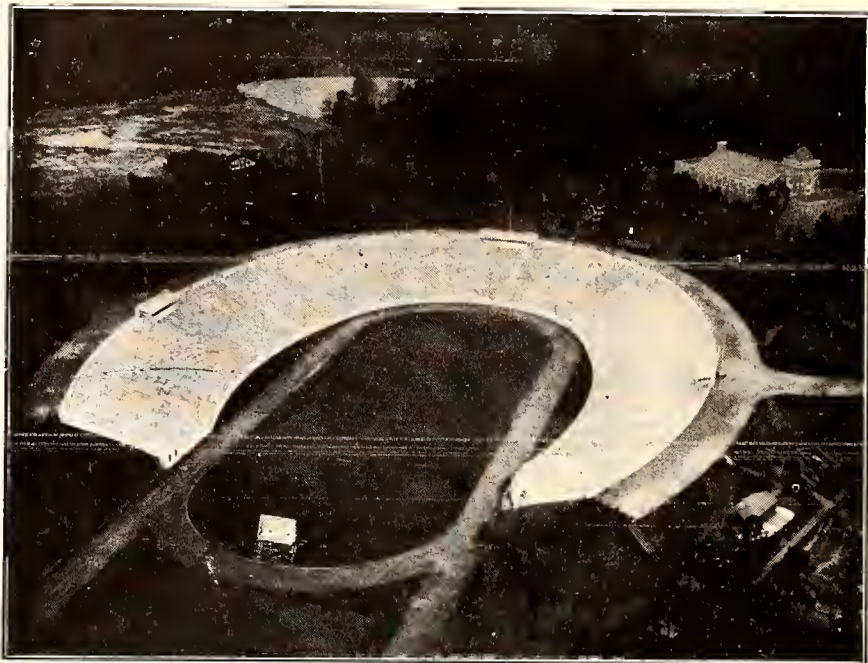

Public Libraries—5, including branches. Duke University libraries have over 1,000,000 volumes.

City Statistics—Total street mileage, 221, with 112 miles paved. Miles of gas mains, 142.3; sewers, 330.8. Number of water meters, 17,209; light meters, 38,665; gas meters, 4,462. Capacity of water works (municipal), 15,000,000 gallons; daily average pumpage, 8,500,000 gallons; miles of mains, 240.6; value of plant, \$4,800,000. Fire department has 104 men, with 4 stations and 16 pieces of motor equipment. Value of fire department motor equipment, \$172,000. Police department has 100 men and 10 women, with 1 station and 28 pieces of motor equipment, all cars being equipped with two-way radio facilities.

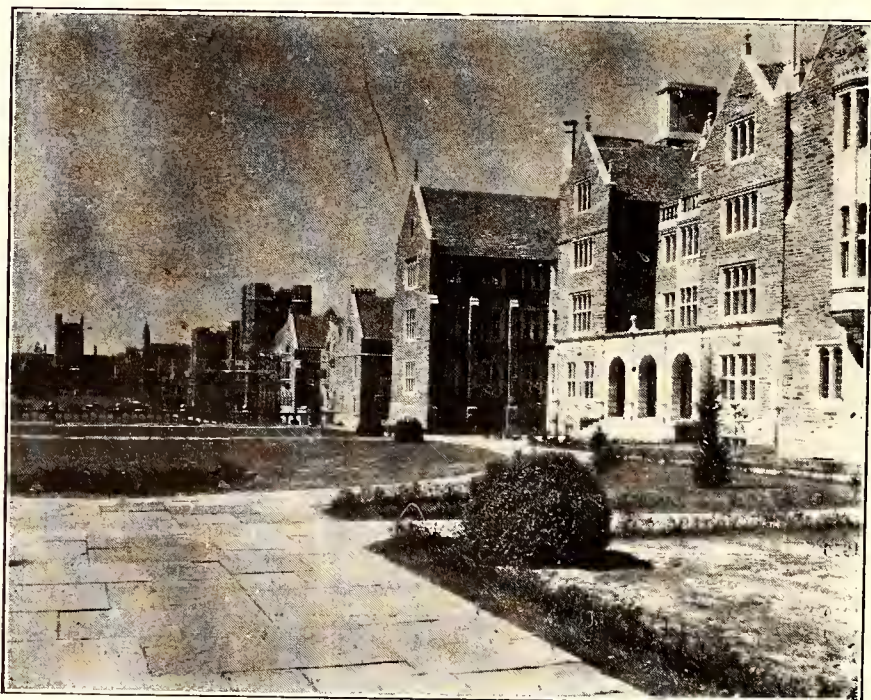

HISTORY

In April, 1865, at a log cabin known as the Bennett Place, near Durham Station, there occurred one of the most historic events in the history of the nation. Lee had surrendered at Appomattox, and the future looked dark indeed for the Southern states. Jefferson Davis and his cabinet had escaped to Greensboro, North Carolina, and there had held fiery debate as to the advisability of continuing the Civil War. Some members of the cabinet favored continuing hostilities at any cost, even though it meant carrying on a guerilla warfare, while others took the position that the cause of the Confederacy was forever lost and that no good could be accomplished by further bloodshed. Finally it was decided to instruct General Joseph E. Johnson, commander of the Confederate Armies of the Carolinas, Georgia and Florida, to negotiate terms of peace with General Wm. Tecumseh Sherman, commander of the Federal Army that had broken the backbone of the Confederacy by reason of its famous march to the sea. These two generals met at the Bennett Place and signed a tentative peace agreement. This agreement was so favorable to the South that General Grant refused to approve it, but after several days' conference, it was amended to meet General Grant's demands and was signed and approved by the governments of the North and South, and the War between the States came to a close.

Marking the place of surrender, just four miles from Durham, there has been erected, through the generosity of Mrs. S. T. Morgan, a beautiful monument consisting of two columns, one representing the North and the other the South, joined together by a crosspiece on which is the word "Unity." This historic spot, the birthplace of a reunited nation, is visited each year by thousands of people.

Duke University Stadium; Seating Capacity, 41,000 (with Temporary Stands Now Seats 56,500);
Scene of Rose Bowl Football Game, Jan. 1, 1942

Part of the Main Quadrangle, Duke University, West Campus

The death of the Confederacy gave birth to the city of Durham, and out of the ashes of the hopes of the Southern people has been built a great and beautiful city. In 1865 Durham Station was a small and insignificant point on the North Carolina Railroad, inhabited by less than 100 persons. There was one lone business enterprise here, a crude and unimportant tobacco factory with total assets of less than \$2,000, including not only products on hand, but representing also the entire investment and replacement. History and tradition unite in saying that this factory was broken into by Sherman's soldiers and a large part of the stock carried away. Tradition further says that the product carried away was so well made and of such quality that when the soldiers returned to the pursuit of civil life, letters came back to Durham to ascertain if there was more of the product upon the market. To supply this demand a broken business was rebuilt.

In 1865 Washington Duke, a Confederate soldier, walked from New Bern to his home in Durham, and with the same stout heart that had carried him through the vicissitudes of a lost cause, turned his attention to the battle for bread, which was doubtless as cruel and bitter as the war from which he had returned. He built the second factory in Durham, composed of a log cabin 20 x 30 feet, and with his own hands manufactured a product out of a small supply of tobacco that the Federal soldiers had not found. This he called *Pro Bono Publico*. The annual output of this factory was originally four or five hundred pounds, and in 1872 had grown to 125,000 pounds.

In the meantime, W. T. Blackwell had moved to Durham to engage in the tobacco business. He was to the early development of the tobacco industry in Durham what Napoleon was to France, or Caesar to Rome. The Durham Bull got upon the map and in a few brief years his sonorous voice, like the shot at Lexington, was heard around the world. In 1872 the two small tobacco factories had grown into twelve.

James Buchanan Duke, becoming convinced that it was neither practicable nor profitable to compete with Bull Durham smoking tobacco, turned the vision of his great genius into the cigarette field, and from that day to the present hour the increasing volume of the tobacco industry has become the common property of mankind.

On April 10, 1869, almost exactly four years after Johnston surrendered to Sherman, Durham was born. There were only 258 inhabitants in the village, and the total municipal revenue was \$357.44. The largest taxpayer paid \$40.62 in taxes. In 1870 there were probably less than 100 wage-earners in industrial pursuits in the town.

The tobacco industry grew at a very rapid rate, using large quantities of bright-leaf tobacco. While much of this type of tobacco was grown around Durham, it was sold at tobacco markets in Richmond and other Virginia cities, and local manufacturers had to pay the cost of transporting the tobacco from Virginia to Durham. This condition made desirable the opening of warehouses for the sale of leaf tobacco in Durham, and resulted in this city becoming one of the largest bright-leaf tobacco markets in the world, now selling from 40 to 57 million pounds each season.

During all this time there were no banks in the town, practically all the banking being transacted in Raleigh, and on days of big sales at the tobacco warehouses it was necessary to obtain cash from the merchants in order to pay the farmer for his product. Such inconveniences could not long continue, and soon two banks were established.

The next step in the industrial and commercial history of the town was the bringing in of additional railway lines. By the cooperation of manufacturers, merchants, and the city and county governments, the Seaboard Air Line Railway, the Southern Railway, and the Norfolk & Western Railway were given access to this market. Later the Norfolk Southern Railroad and the Durham & Southern Railway were added to the railway lines serving the city, giving a total of five railway companies with seven lines radiating in every direction.

Durham had now grown into a very prosperous and thriving community, but its citizenship was not satisfied with having purely a commercial and industrial town. The people felt the need of better schools and, in 1885, after a heated political campaign, bonds were voted for public school buildings and a tax levied for maintaining a public school system. Today Durham has one of the finest public school plants of any city of its size, with physical property valued at \$6,916,775, and with a personnel of teachers and management that gives it first rating among the cities of North Carolina.

In 1892, Trinity College, now Duke University, was brought to Durham through the philanthropy of Mr. Washington Duke and General Julian S. Carr. Today Duke University has a physical plant worth \$37,579,352, 4,778 students, and a 610-bed hospital, and ranks among the leading educational institutions of the nation.

As the tobacco industry grew and prospered, certain persons used some of their dividends in establishing cotton mills, and this industry soon assumed a position of importance in the industrial life of the city. Later hosiery mills were established, until today Durham ranks as the first city of the South in the manufacture of full-fashioned hosiery. Other industries were added from time to time, including flour mills, fertilizer plants, iron works, woodworking plants, printing establishments, etc., until now there are engaged in industry over 17,000 wage-earners, producing \$200,000,000 worth of manufactured products annually. These industries pay into the Federal treasury approximately \$70,000,000 each year. Durham today produces 19% of all the cigarettes made in the U. S.

In 1914 a program of civic improvement was undertaken, and although it was interrupted by the first World War, it has now reached the point where Durham has all the conveniences of a modern city, including complete sewerage, asphalt streets, paved sidewalks, electric power, gas, the latest dial telephone service, Western Union telegraph service, American

Duke Hospital (for the Public) and Duke Medical School, Situated on the West Campus

Airplane View Showing East Campus, Duke University, and Part of City of Durham

View of Hope Valley Country Club

Telephone & Telegraph repeater station, insuring rapid long-distance telephone communication; a fine recreation program, and a system of water works with an impounding reservoir sufficient to care for the needs of a city of 100,000 people.

Any story about Durham would be incomplete without mention of the notable contribution which the Negro race has made to the industrial, commercial and civic development of the community. The progress the race has made here has been truly amazing. Under the leadership of E. R. Merrick, and later, C. C. Spaulding, and their associates, Durham's colored people have established industries, insurance companies, banks and other commercial businesses which would be creditable to any city. The labor which they furnish the city's industrial plants is intelligent and dependable. The high type of leaders among the colored people here has made Durham a conspicuous outpost in the advancement of Negro civilization.

One of the finest things about the founders of Durham is that material prosperity merely opened to them avenues of service to mankind. It has been said that more philanthropists have been produced in Durham than in any other city of the South. Watts Hospital, of 355 beds, was a gift to the city and county by Mr. George W. Watts. Lincoln Hospital, of 160 beds, is largely the gift of Mr. Benjamin N. Duke. Duke University is a living memorial to Mr. Washington Duke and his two sons, Benjamin N. Duke and James Buchanan Duke. Other philanthropists have remembered the city from time to time in ways that help in making Durham a good place in which to live and work.

Durham is today the fourth city in North Carolina in point of population, having 71,311 inhabitants, and is second in industrial payrolls, and second in importance in the value of its manufactured products. It is far in the lead in its educational facilities, having an unexcelled public school system and Duke University within its corporate limits, and having within a radius of a few miles the University of North Carolina, Wake Forest College, Meredith College, North Carolina State College, Peace Institute and St. Mary's.

The colored people have in Durham, in addition to excellent public schools for their race, the North Carolina College for Negroes, the only college of liberal arts for Negroes supported by taxation in the state.

All these things have been accomplished by people not especially favored by nature, but who by their determination, unconquerable will and tireless effort, and by their faith in mankind and in this community, have created a city that proudly takes its position as one of the representative cities of the new South and of America.

BRIEF FACTS ABOUT DURHAM, ALPHABETICALLY ARRANGED

Altitude: 406 feet above sea level.

Area: 12.8 square miles.

Graduate Dormitory Tower, Duke University

View of City Hall

View of Main Street, Looking East

Churches: 131, representing practically all denominations. Durham is noted for its many beautiful church edifices.

City Incorporated: The City of Durham was incorporated by act of the General Assembly, ratified April 10, 1869.

Civic Organizations: Rotary Club, Kiwanis Club, Lions Club, Sertoma Club, American Business Club, Civitan Club, Exchange Club, Altrusa Club, Business and Professional Women's Club, Pilot Club, Durham Merchants' Association, Junior Chamber of Commerce, Durham Chamber of Commerce, National Secretaries Association.

Climate: Equable. Annual mean summer temperature, 71.3; winter, 48.3. 63% sunshine days. Annual rainfall, 47.19 inches. Annual snowfall, 10.1 inches. Prevailing westerly winds.

Colleges:

Duke University Enrollment			
1940-41	3,716	1946-47	5,121
1941-42	3,493	1947-48	4,890
1942-43	4,000	1948-49	6,882
1943-44	5,011	1949-50	5,211
1945-46	3,596	1950-51	5,018
1951-52	4,778		

There is also located in Durham the North Carolina College for Negroes, the only college of liberal arts for colored people, supported by the State, in North Carolina. Enrollment for 1951-52, 1,362.

Convention Facilities: Four hotels with total of 627 rooms. Maximum capacity of lodging accommodations, 1,374 persons; capacity in excess of ordinary requirements, 700 persons. Assembly halls, capacity, 800; ballroom capacity, 500; twelve committee rooms, auditorium, seating capacity, 1,750; Armory Auditorium seating capacity, 2,500.

County: Durham County was created by act of the General Assembly in 1881 from parts of Orange and Wake counties. While Durham is not a large county, it is the center of the famous bright-leaf tobacco belt. Between 40 and 57 million pounds of tobacco are sold each year on the Durham market. Tobacco is the principal money crop, although cotton, corn and truck crops also are important. Dairying has increased rapidly during the past few years. The county has good roads and splendid schools and churches. According to the 1950 U. S. Census there were 1,910 farms in the county.

Education: Durham is recognized as being one of the leading educational centers of the South. Its colleges and university, its public school system, its schools of music and business schools are rated among the best in the South by leading educators. (See Colleges, also Schools).

Fire Protection: Durham has a well-equipped fire department, with four stations and paid personnel giving Durham first-class insurance rating.

Government: Durham has had the council-manager form of government since May 4, 1921. It is admitted to be one of the best governed cities in the state.

Health: Durham has a well-organized board of health, with 75 employees, charged with the supervision of health conditions in the entire county. It has been remarkably successful in its work. The white resident death rate for 1951 was only 6.6 (colored residents, 8.7) to the 1,000. The death rate for both races was 7.4. The birth rate for white was 23; for colored, 23.4; total, 23.2. Milk, meats, water, markets, dairies, hotels and eating places are carefully inspected.

Hospitals: Watts Hospital (public, white) is one of the finest hospitals in the South, value, \$2,250,000; 355 beds; personnel of 110 physicians and 145 nurses; endowed by Mr. George W. Watts and partly supported by contributions from city and county. Lincoln Hospital (public, colored); value, \$325,000; 160 beds; personnel of 8 resident and 55 practicing physicians, and 13 graduate and 65 student nurses; partly supported by contributions from city and county. McPherson Hospital (private—eye, ear, nose and throat); value, \$120,000; 30 beds and personnel of six physicians and 15 nurses. Duke Hospital with 619 beds, representing an investment of more than \$3,000,000, is said to be the best-equipped hospital in the world. It was opened on July 21, 1930. During 1932 the Duke Hospital Nurses' Home was completed at a cost of over \$300,000. Two other nurses' homes have been added. Durham County Tuberculosis Sanatorium treats patients from afar. The North Carolina Cerebral Hospital (palsy), with 50 beds, is now in operation. The State has taken over the 3,300-bed Army hospital at Camp Butner, and this is now a mental institution. Nearing completion is the 500-bed U. S. Veterans medical and surgical hospital here. Durham is the chief medical center south of Baltimore.

Hotels: Durham is unusually well provided with hotel facilities. The Washington Duke is one of the finest hotels in the South, having been constructed at a cost of more than \$1,750,000. It has 300 bedrooms, all with bath. The Malbourne Hotel—200-room capacity—is a fireproof hotel and newly furnished throughout. Other hotels are the Durham and McArthur, and the Biltmore and Jones hotels for colored people.

Malbourne Hotel

Industries: Durham is the second largest industrial center in North Carolina, its output of manufactured products being valued at \$200,000,000 annually (U. S. Census of Manufactures). It has large tobacco industries, manufacturing such well-known brands as Duke's Mixture and Bull Durham smoking tobaccos, and a great many brands of cigarettes, including the famous Chesterfield and Lucky Strike, and fifteen brands of Turkish cigarettes. It is the home of the Durham Hosiery Mills (manufacturers of Durable Durham Hosiery), Hillcrest Hosiery Mills (manufacturers of ladies' full-fashioned hose), and the Golden Belt Mfg. Co. (manufacturers of cloth bags). There are also manufactured in Durham, Erwin and White Star sheetings and pillow cases; Virginia-Carolina fertilizers; Occoneechee, Peerless and Climax flours; blank books, corrugated boxes, wooden boxes, castings and iron products, harness and saddles, bread, ice, mattresses, brick, building materials, proprietary medicines, furniture, roofing, meat-packing products, machinery, and moth and mildew-proofing formulae. Due to proximity to source of raw materials, cheap electric power and its transportation facilities, Durham offers unexcelled opportunities for the location of industries.

Location: Durham is situated in the geographical center of North Carolina, a few miles north of the center of population of the state. Its terrain is slightly rolling and is well drained.

Payrolls: The payrolls of Durham exceed \$90,000,000 annually.

View of One Eleven Corcoran Street, Constructed at a Cost of \$1,000,000, in the Heart of Durham's Business District

Population (U. S. Census):

City of Durham		County of Durham	
1890	5,485	1890	18,041
1900	6,679	1900	26,233
1910	18,241	1910	35,276
1920	21,719	1920	42,219
1930	52,037	1930	67,196
1940	60,195	1940	80,244
1950	71,311	1950	101,639

Number of water meters . . .	14,645	15,549	16,358	16,835	17,209

Recreation: Community recreation, under supervision of the Playground and Recreation Commission, supported by public taxation. Eleven public parks, containing swimming pools, tennis courts, etc., 17 city playgrounds, and several large playgrounds maintained by industrial plants for the use of employees. Two 18-hole golf courses; magnificent country club; tennis and gun club; college football, baseball, basketball, track, boxing and wrestling. The schedules of Duke University and the University of North Carolina offer Durham citizens the opportunity of seeing some of the best college teams of the East and South in action. Both these universities have magnificent stadiums, that of the University of North Carolina seating 44,000 with temporary stands, while the stadium of Duke University has a seating capacity of 41,000, and 56,500 with temporary stands.

Schools: The public school system of Durham is nationally-known for its equipment, high scholastic standards and progressive policies. Croft Secretarial School and Kennedy's Commercial School are fully accredited class "A" institutions.

City Schools Enrollment

1940-41	11,962
1941-42	11,552
1942-43	11,285
1943-44	10,475
1944-45	10,040
1945-46	10,177
1946-47	9,973
1947-48	9,791
1948-49	10,409
1949-50	10,665
1950-51	11,135
1951-52	11,220

Number of Schools: White, 15; colored, 7. Number of teachers, 433. Value of public school plant, \$6,897,069.

Social Agencies: Young Men's Christian Association, Young Women's Christian Association, Salvation Army, Red Cross, King's Daughters, Board of Charities and Public Welfare. Wright Refuge for Children, Junior League, Council of Social Agencies, Association for the Blind, Family Service Association, and Duke Legal Aid Clinic.

Streets: Durham is today one of the best paved cities in the state. The white-way lighting system in the business district is admitted to be one of the best in the South. Excellent street markers.

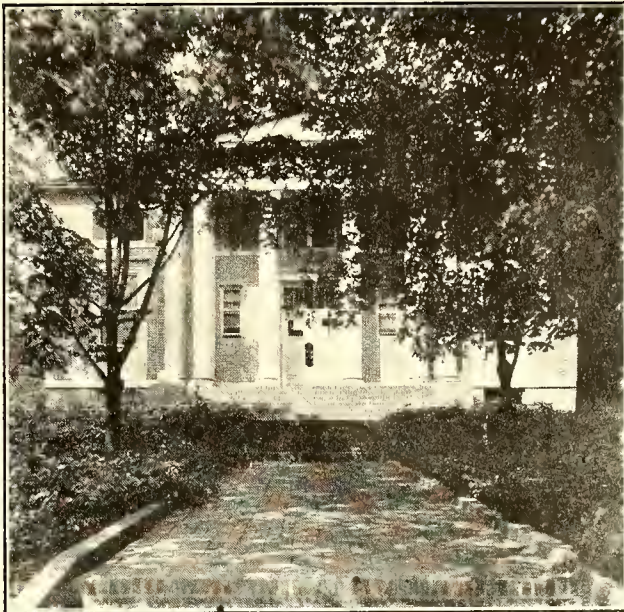

Taxes and Valuation: As of 1951, the city of Durham has an assessed valuation of \$147,-221,344, with a city tax rate of \$1.70 on the \$100. Property assessed on 75% of true value. The county of Durham had an assessed valuation of \$250,000,000 and a county tax rate of 58¢ in 1950. Property assessed on 75% of true value. No property tax is levied by the State.

Theatres: 5 motion-picture theatres for white, and 2 for colored. Total seating capacity, 5,225.

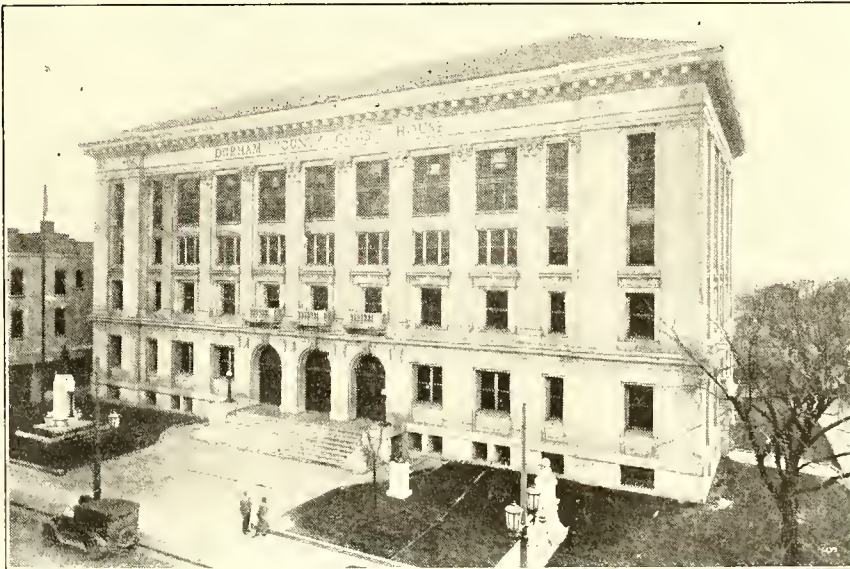

Tobacco Market: The tobacco market in Durham sold in the
1945 season, 41,525,964 pounds for \$18,243,434.94;
1946 season, 50,937,288 pounds for \$23,449,361.07;
1947 season, 49,603,108 pounds for \$21,329,568.07;
1948 season, 45,541,102 pounds for \$22,466,317.40;
1949 season, 37,023,456 pounds for \$17,949,631.94;
1950 season, 43,661,544 pounds for \$24,245,803.10;
1951 season, 47,163,724 pounds for \$25,657,065.86.

Transportation: Durham has five lines of railroad, radiating in seven directions. It has two lines of the Southern Railway, the Seaboard Air Line Railway, the Norfolk & Western Railway, the Durham & Southern Railway, and the Norfolk Southern Railroad. These railroads afford unusually good freight facilities. Durham is on the National Highway and the Central Highway, the principal routes between the North and South and between the East and West. Excellent bus service is maintained between Durham and Raleigh, Wake Forest, Henderson, Oxford, Roxboro, Greensboro, Chapel Hill, Pittsboro, Siler City and Danville, Va.

Water: Durham has an ample supply of pure water. An impounding reservoir completed in 1926 stores 4,600,000,000 gallons, which, if used for no other purpose, would, at the present rate of consumption, supply the demand for a period of two years. There is no longer any danger of a water shortage. The water is excellent for domestic uses and is soft and free from iron, making it very desirable for industrial purposes.
