OUT-OF-TOWN WORK SOLICITED

RICHMOND, VIRGINIA

If 9,896 Farmers

and planters told you that their yields per acre of cotton, corn, tobacco, wheat, fruits, peanuts, rice, sugar cane and truck crops were greatly increased and even doubled

By Using Virginia-Carolina Fertilizers

and which they thought the best and biggest crop producers on earth—wouldn't you feel that you should, in justice to yourself, try these fertilizers and get the same increased yields on your own farm? We have many thousands of un-asked-for letters from farmers blessing the day they bought Virginia-Carolina Fertilizers. Many of these letters are in our 1910 Farmers' Year Book, which can be had free of your dealer, or by mailing us the coupon
