

Get out where the air is cool

Reach those secluded spots away from the heat of the city where "the cool of the evening" is not a myth. Spin over the country roads, down along the lake shore, up into the hills—ANYWHERE. The Indian makes all places accessible.

Side Car riding for HER is as comfortable as the easy riding that is afforded you by the patented Cradle Spring Frame—an exclusive Indian feature. It eliminates all shocks and vibrations. No road is rough to an Indian rider.

Every day you postpone buying an Indian means another evening spent in the heat. Come in today. We will show you the Big Twin, the Light Twin and the Side Car. And we will explain our convenient terms that make it easy for anyone to own an Indian.

The City of Progress and Prosperity

PREFACE

We take pleasure in presenting the new edition of the Winston-Salem Directory, which we believe will be found up-to-date in every respect.

Winston-Salem can truly be called the industrial center of North Carolina. No city in the state is growing faster, nor as an industrial center can it be surpassed. The number of new firms and changes since the last edition of the directory was published has been equal, if not greater, than any city in the state. The future of Winston-Salem as *the industrial city* of the Carolinas is assured in the near future.

We wish to thank the public for their liberal support and now that business conditions are getting back to normal, we hope and expect to issue the directory hereafter annually and on time.

Yours truly,

COMMERCIAL SERVICE CO.

POPULATION

We estimate the population of Winston-Salem to be 55,624

October, 1919.

Why Stay at Home?

Maybe last Sunday was ideal for country trips, but you stayed at home rather than brave the long, stuffy ride by rail.

The city's and country's pleasures are but a short spin away if you ride a

Harley-Davidson

The country rail-travelers never see—lakes, hills and woods—are yours to gain pleasure from.

Sturdy, reliable, economical and comfortable—a Harley-Davidson is the best investment you can make.

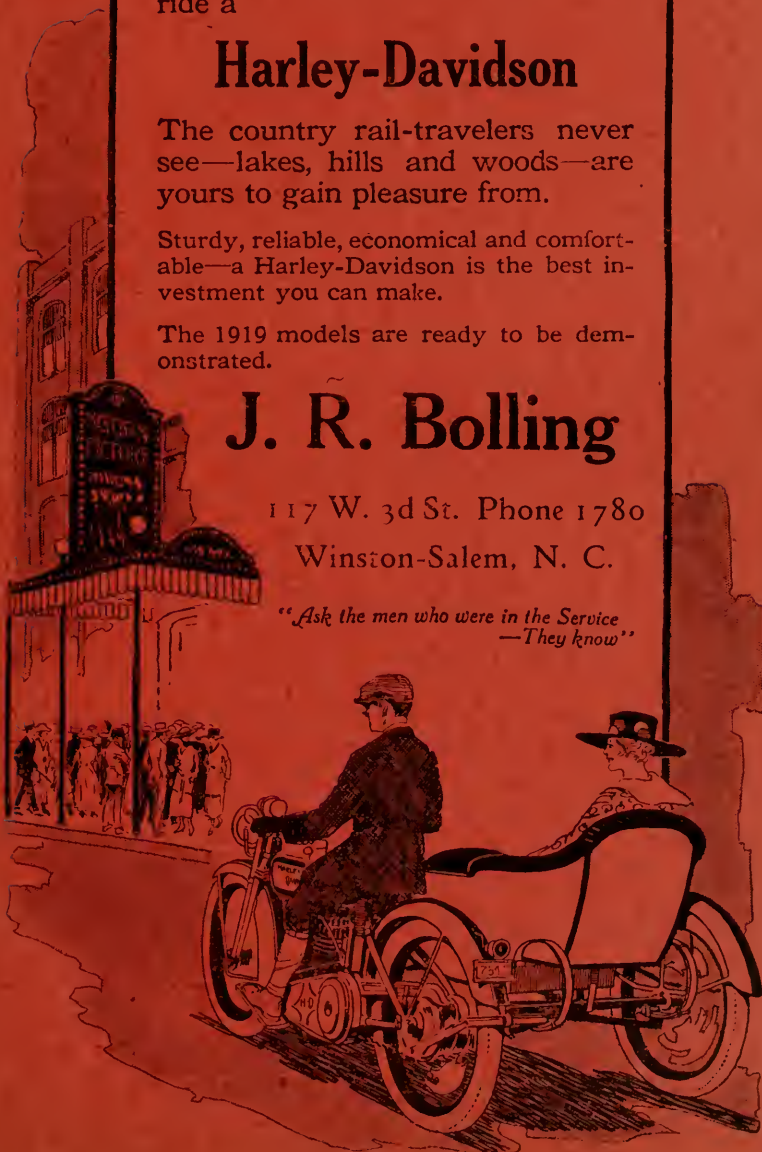

The 1919 models are ready to be demonstrated.

Nothing Within Miles of them for Mileage

A Bear
For Wear

MILEAGE is what you want—good, clean, trouble-free mileage. That's what you pay out your Tire and Tube money for. The more mileage you get, the more you get *for your money*.

Gillette Tires and Tubes give you the longest run for your cash. They out-distance them all in wear—and by *many* miles.

The new Gillette Chilled Rubber Process toughens them as iron is toughened by conversion into steel. Strengthens them; gives them vitality and come-back power unparalleled in the history of Tire and Tube manufacture. They give you miles of wear—after others are *worn out*.

One Gillette will prove up our claims—and *more*—and sell you a set.

Weekly Herald. Sets from 6
point to 48 point Trade Work.

A WEEKLY

It tells about the Section of Country embraced by the Counties of Yadkin, Davie, and Forsyth, which have been linked together by a common interest in recent years, the three Counties which have been "Front Liners" as Bridge Builders and workers in common for Good Roads. Livestock is a thing of present interest to all three Counties. All are somewhat similar in soil, as all are in the Piedmont Section of North Carolina.

It tells about the traditions and will relate the history of these counties.

Local happenings, news and current history and events have a wide place in each issue. Baden, the great industrial town, is featured.

Prices on the Tobacco Market, and other market news is carefully kept up.

A new \$7,000 equipment has been purchased to take care of this paper. The price is \$1.00 per year.

The advertising rates are 25 cents per inch.

Address, THE WEEKLY HERALD, 224 South Main St., Winston-Salem, North Carolina.
