Robt. Louis Stevenson's Works FREE.

THIS Balmoral edition of the works of Robert Louis Stevenson contains his best novels, his best poems, his best essays and his best short stories. They number 121 in all and include practically everything of any importance that Stevenson ever wrote. This edition is not on sale at the bookstores. It is a new edition printed from clear, new type and can be secured only from us. There are six volumes—aggregating 2976 pages—printed on opaque wove book paper and handsomely bound in red ribbed cloth. The titles are stamped in real gold leaf, and each volume is illustrated.

Scarcely a household but contains some illuminated motto or verse from Stevenson's writings. Stevenson was one of the few authors who could not put pen to paper without saying something graceful and worth reading; his versatility is amazing. As a good old swashbuckling tale of adventure, "Treasure Island" is a classic. Among historic novels, "Kidnapped" is unrivalled; and in "The New Arabian Nights" and "Dr. Jekyll and Mr. Hyde," nothing can excel the fertility of plot and sustained interest. In his "Child's Garden of Verse," Stevenson caught the beautiful spirit of childhood in perfect manner.

As an essayist, he had no peer. Of all writers of the Victorian era, Stevenson's fame seems most secure. Others are gradually forgotten, while his reputation grows steadily day by day.

Contents of the Set

- VOL. I**
The Master of Ballantrae
An Inland Voyage
- VOL. II**
Kidnapped
Travels with a Donkey
- VOL. III**
Familiar Studies
The Merry Men
- VOL. IV**
Treasure Island
Dr. Jekyll and Mr. Hyde
- VOL. V**
New Arabian Nights
- VOL. VI**
Child's Garden of Verse
Underwoods
Virginibus Puerisque

In these six volumes of Stevenson's works, there is something for all members of the home circle. And for the one who loves good literature, there is nothing to be skipped; nothing that will fail to give keen enjoyment.

Stevenson's personality, so abundantly seen in all his works, is wholesome, pure and blithesome, his works are filled with high courage, sane philosophy and nobility of soul.

He was an apostle of good cheer and always, as William Sharp says, "A writer of infinite charm." This power to charm young and old extends to all his writings.

Unless you want to pay from Fifty to One Hundred Dollars at the retail book-sellers, you can do no better than to obtain Stevenson's works in these six volumes.

This is Our Free Offer: Upon receipt of the coupon below, we will ship you this Balmoral edition of Stevenson's works for examination, and all charges prepaid. You will have five days in which to look them over in your own home; then, if you want to keep them, you may do so by merely sending us \$3 for a two years' subscription to Good Housekeeping, with 60 cents to cover the expense of shipping and handling the books—making a total of \$3.60.

But if you decide that you do not wish to keep the books, you need only return them at our expense, and you will owe us nothing. It doesn't cost you a cent to examine these books. Sign the coupon and mail it today to

WINSTON, N. C.

PREFACE

We herewith present Volume XIII of the Winston-Salem, N. C., city directory.

The directory is more than a mere list of residents, with their occupation and addresses; it is a complete and accurate guide to your city, your government, your institutions and other organizations. It is a history of your city.

There is no other publication in the world which gives the information contained in the City Directory, therefore there is probably no other publication in which all the people are so vitally interested.

To gather the data and compile a volume of this character, is no easy task. It requires time, system, patience and incurs no little expense. Very few people have any idea of the work it means and the tenacity it takes to get out a complete directory.

The directory is one of the foremost enterprises of any city. Therefore it should receive your liberal support, for without such it can not exist.

This volume contains 14,820 names of individuals, using the multiple $2\frac{1}{2}$ times, to represent the names of the women and children not included in the directory, indicates a population of

37,050 for Winston, Salem and Suburbs

In concluding we desire to thank our patrons for their support, and the public in general for the courteous way in which they received and furnished our representatives the required data.

Yours truly,

PIEDMONT DIRECTORY CO. E. H. MILLER, Pres.

No Moonshine—Just Plain, Unvarnished, Cashable Facts About Poultry Profits

If there ever was a straight-from-the-shoulder, look-me-in-the-eye and hold-up-your-right-hand statement of facts, you'll find it in JOEL M. FOSTER'S book, "THE MILLION EGG FARM."

Mr. Foster owns the famous Rancocas Poultry Farm, and in his book he tells his methods for producing upward of *eleven hundred thousand eggs a year* and piling a clean annual profit of close to \$20,000.00

We *know* that the statements in this book are cold facts—because we proved them by an exhaustive investigation before publishing THE MILLION EGG FARM for distributing to Farm Journal subscribers. We have sold many thousand copies of this book, and we *know* from the actual experiences of those who have read and followed it, that these facts can be profitably applied by *you*—whether you have a dozen hens on a back lot, or number your fowls by the thousand.

Up in Scranton, Pa., a clerk, Robert Liddle by name, seeking to better his fortunes, read this book, followed its directions, and at last reports was cleaning up \$17.00 a day profit on eggs.

In the light of such experiences, we *know* that farmers need this book. That's why we publish it and are trying to put it into the hands of every poultry owner. To *serve* the Farmer is the whole purpose of FARM JOURNAL. To *serve* him with sound advice regarding every branch of farm work.

To enable him to profit by the labor-saving and money-making discoveries of other farmers. To serve the farmer's wife with helpful suggestions. To serve the farmer and his entire family with clean, wholesome entertainment.

FARM JOURNAL has its own way of presenting facts in crisp, interesting, readable form. It is the National Farmer talking in a human, understandable, sympathetic way to the individual farmer. It is educational without being tiresome. It is bright, cheerful and *clean to the core*. Fakes, quacks and all other swindling advertisers are forever barred from its columns.

Upward of four million readers welcome its monthly visits. Two or three copies will make *you* a confirmed reader of Farm Journal. You *need* this paper and you *need*

the MILLION EGG FARM book. None of us ever know so much about our work that we can't learn any more.

Dr. Corbett's Sanitarium

GREENVILLE, S. C.

An institution for the care of selected cases of nervous trouble and addictions to drugs and alcohol. No mental cases accepted.

Treatment is individualized to suit requirements of each patient. Drug habit treated by gradual withdrawal. Minimum discomfort.

Climate fine and equable. Pure water from mountain springs. Summers delightful; winters moderate.

Building quietly located, conveniently arranged and heated by steam. Atmosphere homelike, cheerful and bright; rooms airy and clean; table as good as market affords.

Address,

DR. L. G. CORBETT

The Evolution of a Great Idea

Its Stupendous Value to Humanity is being Daily Demonstrated.

The **PSYCHOMOTOR** is a simple mechanical device linking thought to material expression in a way to make leisure hours a source of delight and profit.

It serves a purpose, like that of the Typewriter, the Telegraph and the Telephone. It meets the logical requirement of a visible and objective assistant to mental and physical realization.

It is applicable to every phase of human life and expression.

It is an integral part of **THE SHELDON LEAVITT METHODS**.

For the Ill it is more Curative than Medicine; for the Unhappy it is a Wellspring of Joy and for the Unsuccessful it is a Help to Better Things.

It is a means of curing many a heartache, removing many a pain, giving strength to the weak, courage to the fainthearted and prosperity to the poor.

It is a boon to everybody.

We shall be glad to tell you about it.

Address **MAGNUM BONUM ASSOCIATION, D 4665 Lake Av., Chicago.**

Eyeglasses Not Necessary

Eyesight Can Be Strengthened, and Most
Forms of Diseased Eyes Successfully
Treated Without Cutting or Drugging.

That the eyes can be strengthened so that eye glasses can be dispensed with in many cases has been proven beyond a doubt by the testimony of hundreds of people who publicly claim that their eyesight has been restored by that wonderful little instrument called "Actina." "Actina" also relieves sore and granulated lids, iritis, etc., and removes catarracts without cutting or drugging. Over 95,000 "Actinas" have been sold, therefore "Actina" is not an experiment, but a reliable method of treatment.

"Actina" can be used by old and young with perfect safety. It is impossible to do harm with one. Every member of the family can use the one instrument for any form of disease of the Eye, Ear, Throat or Head. One will last for years, and is always ready for use. It will be sent on trial, postpaid.

If you will send your name and address to the Actina Appliance Co., Dept. 218-N, 811 Walnut Street, Kansas City, Mo., you will receive, absolutely FREE, a valuable book—Professor Wilson's Treatise on Disease.

POWER for YOU!

Power from within! Strength that is **more** than mere muscular strength—the strength of perfect health, abundant nerve force—the strength of the **perfect man** now within your reach through **Vibration!**

Nine people out of every ten are only **half alive**. They exist—they do not really live. How about yourself. Listen—

All the Joys of LIFE--STRENGTH--YOUTH

may be returned to you through **Vibration**. For **Vibration is Life itself**. It will chase away the years like magic. Every nerve, every fibre in your whole body will fairly tingle with the force of your own **awakened power!** Stagnation simply cannot exist.

You are made over—new—from head to foot. **All the keen relish, the pleasures of youth**, fairly throb within you. Your blood is sent humming along through every vein, artery and tiny capillary. All the poisonous matters in your system are **washed away**. Every organ is put in **perfect working order**. Your self-confidence—**your self-respect**—are increased a hundred fold. Yes, Vibration will do all this and more, **much more**. And it is within your reach. You can enjoy its wonder-working powers right at home, right in the privacy of your own room. You can give yourself the same identical treatments that you would receive in the offices of the world's most famous specialists—all without extra charge.

You may give yourself Swedish Movement, Vibrating Chair Treatments, Electric Baths, Faradic or Galvanic Electric Treatments—just such treatments as you would have to pay from \$2.00 to \$3.00 for—yours without charge through the White Cross Electric Vibrator.

Special Offer for a Limited Time

THE WHITE CROSS ELECTRIC VIBRATOR

is the result of years of work and experiment. It is absolutely perfect. If you have your house wired for electricity, you can connect it up as easily as an electric lamp; if not, it will run perfectly on its own batteries.

For a short time only we are making a remarkable Special Introductory Offer on the White Cross Electric Vibrator. In order to place at least one of these splendid instruments in every city, town and village in the country—an amazing offer to those who write at once—amazing discounts—actual rock-bottom prices direct **if you act at once**.

FREE BOOK Sign coupon and mail it today. Get our splendid big FREE book telling you all about the marvels of **Vibration**. Read what great scientists say. Post yourself on what it will do for you. Learn all about the **White Cross Electric Vibrator** and our limited offer. No obligations at all—just fill out the free coupon, or a letter or a postal and mail to us **today**.
