INTRODUCTION and GENERAL INDEX

HILL DIRECTORY COMPANY, publishers of Southeastern Directories (publishers of the Sanford City Directory since 1950), present to subscribers and the general public, this, the 1963 edition of the Sanford City Directory, which also includes Caribton Heights, Jonesboro Heights and Rural Route Residents.

Confidence in the growth of Sanford's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Sanford to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Sanford Directory will fulfill its mission as a source of authentic information pertaining to the community.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business section, which embraces a list of the names and addresses of all business and professional concerns of the community, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the community. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified community like Sanford, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns, is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Sanford, and the name, official personnel, nature and address of each firm and corporation in the community.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the

LEE-MOORE OF CO., INC.

800114 ygs Residents (g)

residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of tenant-owned homes and the listing of telephone numbers.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

Community Publicity

The Directory reflects the achievements and ambitions of the community, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Sanford and vicinity.

The Sanford Out-of-Town City Directory Library

Through the courtesy of the publishers of the Sanford City Directory, a Directory Library is maintained in the offices of the Sanford Chamber of Commerce, for free reference by the general public. This is one of more than 1,000 Directory Libraries installed in cities and towns throughout the U. S., Canada and Puerto Rico by members of the Association of North American Directory Publishers.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

*Do your employers furnish you with the
latest edition of the City Directory?*

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

Location

Sanford is located at the edge of the Piedmont, in the healthful pine belt, 46 miles southwest of Raleigh, N. C. It is in the center of the state and is surrounded by a large, rich agricultural area. Its location is partly responsible for its steady growth.

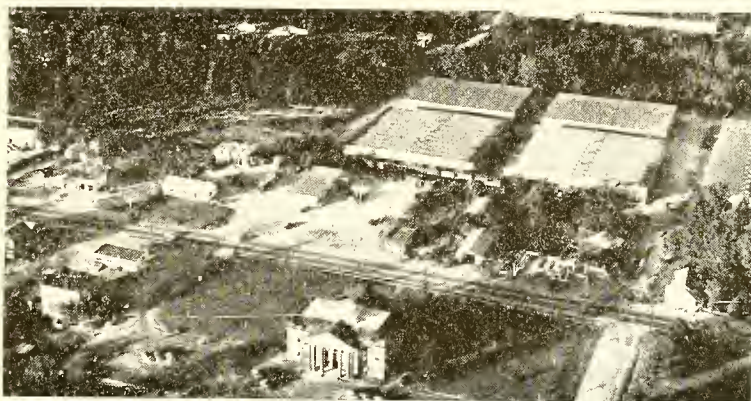

Population

Census reports show the steady growth of the city from 236 in 1880 to more than 10,013 in 1950. 1960 census count was 12,253, 1962: 12,650. Jonesboro now is an integral part of Sanford and is designated as Jonesboro Heights. The

Saco-Lowell Shops

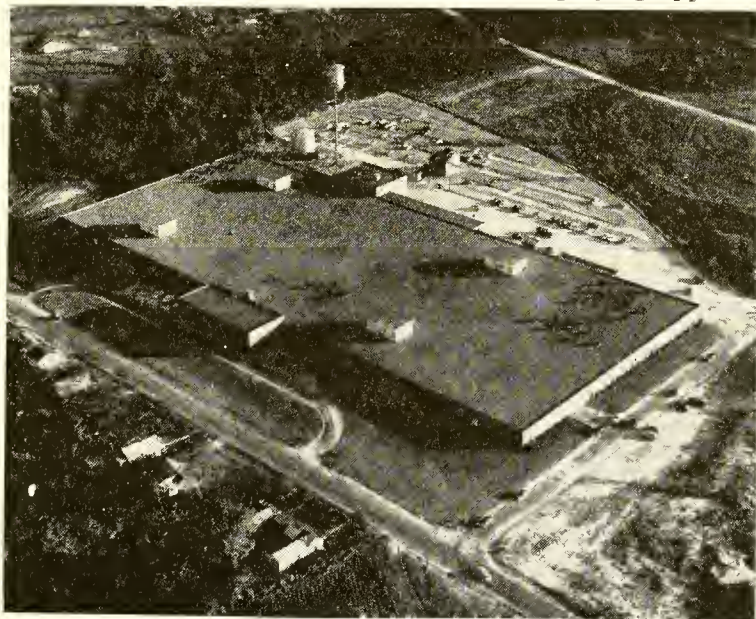

genuinely friendly attitude of the citizens is quickly observed by visitors as an outstanding characteristic of local people.

Sanford Tobacco Company Redrying Plant—In the foreground is the Lee County Court House and Top Left of Center is Saco-Lowell Shops

Industry

Sanford's residents find employment in manufacturing, merchandising and distribution. Industry is well-balanced and varied. The city has over 50 plants employing approxi-

Cornell-Dubilier Electric Corp.

mately 5,500 people, manufacturing a wide variety of products. These include lumber and lumber products, veneer, furniture, cabinets, brick, tile, pottery, tobacco curers, textile machinery, hosiery, industrial grease and meat meal, insecticides, tobacco re-drying, corn meal (also self-rising

Textile Plant

corn meal), stock feed, dog food, flour, fertilizer, meat products, sheet metal products, bakery products, lingerie, work and play clothing, ice, ice cream, soft drinks, frozen foods, electronic equipment and cosmetics. Wholesale grocery and fruit, wholesale candy, wholesale florists and bottling plants make Sanford an important distribution point. The Sanford tobacco market is an important growth factor.

Housing

Building goes on all the time. New residents come in constantly. Living costs are reasonable. Food is produced in abundance, and local markets afford a bountiful supply of poultry, dairy products, meats, fruit and vegetables.

Recreation

The municipal swimming pool, municipal golf course and club-house, ball park, two modern athletic fields, school playgrounds and nearby camps give the people a variety of recreation. There is fishing for those who like it. The City maintains the recreation department, staffed by paid employees with a planned recreation program. Two modern movie houses and one drive-in theatre offer high class entertainment the year round.

Churches

Sanford has every major religious denomination represented, among them being Presbyterian, Baptist, Methodist, Christian, Catholic, Holiness, Christian Science, Church of God, Lutheran and Episcopal. The surrounding rural area has many fine places of worship.

Education

There are nine public schools in Sanford—eight white and one Negro. Among these are two high schools holding membership in the Southern Association of Colleges and Secondary Schools—Sanford High School, for white students, and the Lee County Training School, for Negroes. The elementary schools in the city have earned the ratings of 1 with the accrediting agencies, and are generally considered to be among the best in North Carolina. Sanford City schools are guided by a definite philosophy of education which is both sound and workable. Its aim is to develop the whole child, his mind, his body, his attitudes, his personality. School authorities from other states have made inquiries as to Sanford's human relations program for students, one of the first school systems in North Carolina to offer this type of program. Guided by the members of the Board of Trustees, who are serving because they are interested in developing Sanford's future citizens. The senior high school plant, built on a beautiful site of 28 acres on the outer fringes of the city, is a campus-type with one-story units and is one of the finest high school plants in North Carolina, perhaps the first to develop the campus-type high school.

Climate

Sanford's climate is a big asset to manufacturing and agriculture. It permits uninterrupted production throughout the year, thereby lowering operating costs. Winters are short. Summers are long and warm, but not oppressive. Precipitation varies from 42 to 52 inches. Mean annual temperature, 59.8 degrees F. Altitude, 370 feet.

Rail Service

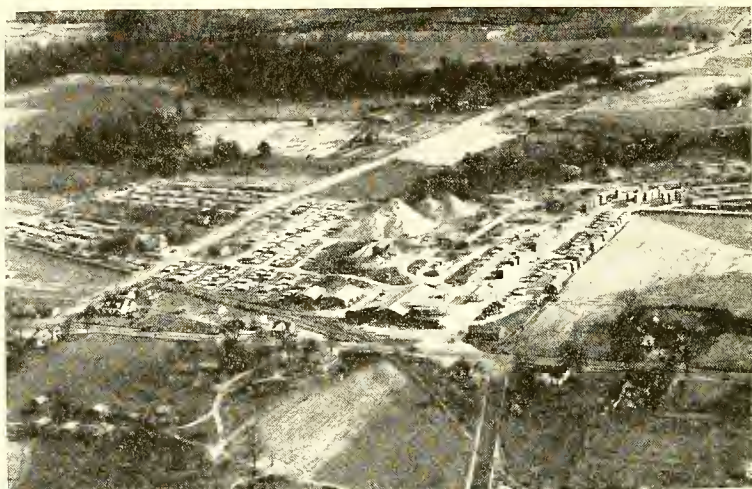

Sanford is a rail center, having five railroads. The Seaboard Air Line Railroad is a main line affording north and south transportation. The city has direct connections with the Atlantic Coast Line at Fayetteville. The Southern connects with its main line at Greensboro. The Atlantic & Western provides local services. The Norfolk-Southern runs across Lee County, connecting with the Seaboard Air Line and Atlantic & Yadkin, but does not touch Sanford. These railroads offer the best in freight and passenger transportation to all points of the compass. Overnight Pullman service to Jacksonville, Atlanta and New York City.

Airport

Three miles from downtown Sanford. One NE-SW sod runway, lighted for night use. Length 2,500 feet. A hard surfaced, all weather runway has been authorized and will be constructed in the near future.

Highways

U. S. Highway 1 from Maine to Key West, Fla., offers the best in tourist accommodations and is traveled every month in the year. U. S. Highway 15 runs from Rochester, N. Y., to Savannah, Ga., through rich agriculture areas and large industrial cities. U. S. Highway 421 runs from Michigan City, Ind., across the Piedmont and coastal plains to Wilmington, N. C., U. S. Highway 501 from Lexington, Va.,

One of Sanford's Lumber Plants

to Myrtle Beach, S. C., gives Sanford an excellent location as far as tourist traffic is concerned. Is it any wonder that people say, "All roads lead through Sanford?"

Bus Lines

The Sanford Bus Station is well located outside the business section on a lot of ample size to handle all traffic. The Queen City Coach Co. and the Carolina Coach Co. af-

Tobacco Auction in Sanford

ford bus service on regular schedules to all points in the state. These bus companies are members of the National Trailways Bus System.

Sanford as a Trading Center

Sanford has a large trading area because of its location. There are no large cities nearby. Surrounded by a rich agricultural region and timberland, it offers the farmers markets for their products and supplies for their families, homes, farms and sawmills. It has a balanced and diversified industrial life. The more than 50 manufacturing plants afford a great variety of places for the residents to work. Agricultural crops include tobacco, cotton and corn. There has been a gratifying increase of live stock of all kinds on the farms. The tobacco market is among the best in the state as far as prices are concerned. The stores are equal to the best—as visitors know.

Civic Clubs

The civic life of the community is represented by numerous strong, thriving, progressive organizations. Among them are Rotary, Kiwanis, Lions, Exchange, Civitan, Optimist, Pilot, Sanford Woman's Club, Business and Professional Women's Club, Masonic Order, Eastern Star, Elks Club, Moose Lodge, Junior Order, Knights of Pythias, Modern Woodmen of America, Junior Chamber of Commerce, Junior Woman's Club, United Daughters of the Confederacy, Sanford Music Club, 40 & 8, Veterans of Foreign Wars, Veterans of Foreign Wars Auxiliary, Lee Post No. 18 American Legion, and American Legion Auxiliary. These render civic, fraternal, patriotic and social service.

The Sanford Chamber of Commerce

The membership of the Sanford Chamber of Commerce is made up of the business and professional men of the community, who not only are interested in the work, but also enter actively into the problems and tasks confronting the Chamber.

The influence of this body has been largely responsible for the many developments in the city, and in every progressive movement the Chamber of Commerce uses its agencies and influence for the best interests of the community. The Chamber of Commerce also serves as a clearing house and general bureau of information, and as a license bureau for the sale of automobile license plates.

The management of the Chamber is in the hands of a board of directors, who employ a manager and a secretary and maintain offices at 140 N. Steele St.

CAUTION

 Pay no money in advance to itinerant Directory canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

CUSTOMERS, PROFITS & LIGHT-

The alert businessman can spot the happy relationship of these three words. He knows how "Planned Lighting" in his display windows can turn shoppers into prospects.

And, how, in his store, it helps turn prospects into customers. The result? More customers and more profits for him.

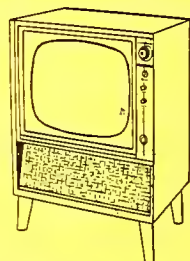

FREE SURVEYS of your Lighting requirements are part of C. P. & L. service. If interested, just call your nearest C. P. & L. Office at no obligation whatever. A telephone call today can mean more profits for you tomorrow.

CAUTION

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

CASHIERS! TELLERS! CLERKS!

*Do your employers furnish you with
the latest edition of the City Directory?*

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

EXPLANATION

Wives names are listed with husbands, the name of the wife is shown in parenthesis following the husband's as follows: Gregory Richd M (Mary L). In case of a widow by death, wherever possible the name of the deceased husband is shown in parenthesis as follows: Gregory Mary L (wid Richd M).

The occupation and place of employment is listed as follows: Gregory Richd M (Mary L) slsmn Starr Clothing Co.

Names in heavy type denote advertisers in this City Directory. Ownership or co-ownership of a firm is indicated by showing the individuals name in parenthesis following the firm name, as follows: Carson Grocery Co (Geo B and Paul N Carson).

A firm name enclosed by parenthesis indicates ownership or co-ownership by the individual whose name precedes, as follows: Carson Geo B (Carson Grocery Co).

The head of the house is indicated by h preceding the street address, other members of the family and roomers are indicated by r preceding the street address.

The word street is not used in addresses. Where a designation av, cir, ter, etc., does not appear, the designation st is understood.

HILL'S SANFORD

Directory of Householders, Occupants of Office Build-
ings and Other Business Places, Including a
Complete Street and Avenue Guide
Including Carbonton Heights and Jonesboro Heights

1963

Copyright, 1963, by Hill Directory Company.

In the following list the numbered streets are arranged in numerical order followed by the named streets in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupants or houseowner or tenant. In the business blocks containing offices the occupants are shown by room numbers where practicable, in apartment homes the number denotes the number of the apartment. In all streets both sides of the street are included in one list. The profession or business of individuals or firms is given only at their respective place of business; to find occupation of others refer to Alphabetical List of Names.

The symbol © following a householder's name indicates that we have received information during the canvass that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes no responsibility for errors can be or is assumed, nor can the publisher furnish further information than that shown.

Telephone numbers, as supplied to us on our canvass are shown opposite names.

Figures in parenthesis denote old numbers.

The word street is not used in addresses. Where a designation av, cir, ter, etc., does not appear, the designation st is understood.

(The numerals that appear at right edge of columns, ahead of street descriptions and some street intersections, are merely for the guidance of the publishers, and have no other significance.)

(This section includes some listings reading "No Return." In each case the publishers tried diligently, by various means, to obtain the information for the occupants but were unsuccessful. First, two personal calls were made by an enumerator; next, a double postal card was mailed and the telephone used when possible.)

Features and Departments of a City Directory

Your new, improved City Directory is the most complete and comprehensive catalog ever published of the inhabitants, business concerns and institutions of your city. It is much more than just an alphabetical list of names and addresses.

Your City Directory Contains:

1

An *Alphabetical* list of names and addresses of every resident, business concern and institution, plus wife's name and if a widow the deceased husband's initial, and the occupations of all. Principal officers or owners and a description of businesses are included as well.

2

A *Householders' Directory* including a Street and Avenue Guide. This section lists every street and where intersecting streets appear. It lists numerically every location on each street, naming the householder or business at each number and whether the person is a homeowner or renter and if he has a telephone. Similar information is provided on office and public buildings and their occupants.

3

A *Classified Business Directory*—listing every business, classified as to type, and showing names and addresses. It also lists every profession, club, society and association, hospital and cemetery, labor organization, library, park and playground and school.

4

A "*Yellow Section*" or *Buyers' Guide*, where the advertiser may explain in greater detail the services or products he has to offer.

5

A *Statistical and Historical Story* of your city; plus miscellaneous other information.
