HILL DIRECTORY CO.
ROCKY MOUNT, N. C. AND RICHMOND, VA.

Preface

The publishers of this Directory feel compelled to thank the merchants and citizens generally for their generous support and kindness in giving to our canvassers all necessary information. This has enabled us to make a Directory that we feel confident will prove serviceable both to the citizen and stranger alike.

The publishers have tried to give the people one of the most complete compendiums of information ever before compiled for their use. It is prepared with commendable care, and with scrupulous exactness, it embraces the names of every individual of the city, with residence and occupation; a list of all the manufacturing industries, all the business houses; the names of all streets, and much other general information which business people need and desire.

The City Directory should be in the hands of every business and professional man. If you wish the latest address of any resident consult the alphabetical portion of the book. Consult the miscellaneous portion if you desire the location of any church; Federal, State, County and City Officials are to be found there. All secret societies and their officers; in fact the miscellaneous department is a mine of information. The third department of the Directory is the classified business portion, where will be found, under the appropriate heading, the name of every person doing business in the city of Rocky Mount. The fourth department is the Streets and where located.

The publishers, Hill Directory Company, of Richmond, Va., enjoy a national reputation in this line of work, having successfully conducted it for years, acknowledging no superiors and but few equals.

You can buy copies of this Directory at the office of "THE ROCKY MOUNT PUBLISHING COMPANY, 122 Sunset Avenue."

Very truly,

Hill Directory Company, Publishers,

Rocky Mount, N. C. and Richmond, Va.

July 1908.
