THE WONDERFUL KY. PRODUCT Kinslow Kerosene!

This wonderful Oil flows from the ground free from the inflammable qualities of common petroleum. The well is located at Glasgow, Ky., and the product, under our new process of refining, is a hotter and safer illuminating Oil than we have ever seen from any other Oil territory. It burns with a steady, full flame, does not gum the wick, and is absolutely non-explosive in any lamp.

As a Family Oil, it is a great luxury, and stands without a rival.

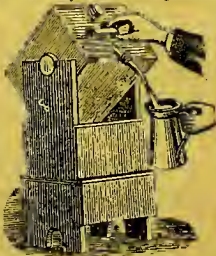

READ THIS!—DEAR SIR:—*I have tested a great many barrels of your oil branded Kinslow Kerosene. It is the purest of refined oil, and is a safety lamp, and is a satisfaction.*
