FLORENCE NIGHTINGALE PLEDGE

I solemnly pledge myself before God and in the presence of this assembly, to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous. I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence [and competence] all matters committed to my keeping and coming to my knowledge in the practice of my calling. With loyalty will I endeavor to devote myself to the welfare of those committed to my care,

This modified "Hippocratic Oath" was composed in 1893 by Mrs. Lystra E. Gretter and a Committee for the Farrand Training School for Nurses, Detroit, Michigan. It was called the *Florence Nightingale Pledge* as a token of esteem for the founder of modern nursing (adapted).
