TUESDAY

Film Day (The films are available throughout the week.)

The following film are available:

"Flying With Arthur Godfrey" provided by Eastern Air Lines

It is a 16 mm sound and color film which runs for 30 minutes and describes some of the techniques in airline piloting and other phases of airline transportation.

"The Return", recommended by the American Physical Therapy Association.

This is a 38 minute, 16 mm. black and white sound picture- which has also been cleared for television. Setting - a hospital
dramatis personae

Jim Hines - a young man paralyzed following an auto accident.

Pat Cheney - a physical therapist whose knowledge, education
understanding are needed for the return of
Jim's muscle power.

The Medical Team - doctors, nurses, psychologists, occupational therapists, vocational counselors, and social workers with whom Pat Cheney cooperates to bring Jim's total rehabilitation and his eventual return to life outside the hospital.

Patients - persons, young and old, rich and poor, with whom Pat and other therapists work to overcome the results of many kinds of injuries and illnesses.

"Within Your Hands" a highly recommended film pertaining to rehabilitation.

"View From The Mountain" - an excellent film pertaining to dietetics

"Health Careers" - description of over 100 careers in the field of health. Excellent for science classes.

WEDNESDAY - "Hour of Enrichment"

"What man does for others - not what they do for him - gives him immortality."

Webster

10:50 - 12:00

Resource persons will conduct classes in grades 9-12. These persons will share their experiences and knowledge in some related area. The idea is to "broaden and enrich" the classroom experiences of our boys and girls.
