ALPHA THETA OMEGA DEBUTANTE BALL

1937-1967

Alpha Theta Omega Chapter of Alpha Kappa Alpha Sorority is pleased to present to our old friends, new friends, and patrons the Thirtieth Annual Debutante Ball. The young ladies whom you are about to meet have accent on scholarship, talent, dignity, poise, cooperation, responsibility, beauty, personality, and character. The continued success of the Ball has been due to the cooperation of our past and present parents who have helped the Sorority foster its many Educational, Cultural, Social, and Charitable Programs.

The 1966-67 Scholarship program had an investment of \$4,500.00 which was sent to Debutantes matriculating at

many colleges throughout the United States. This one aspect of our program enables us to show to the public our deep appreciation for their support.

The 1966-67 Debutantes chose two projects: Decorations for the stage of the J. W. Ligon High School Auditorium and Participation in a Tutorial Program sponsored by Youth Educational Services, Incorporated and administered by the Davie Street Presbyterian Church.

The Debutante Program has grown from 1937 with the presentation of 11 young ladies to 81 in 1961, 83 in 1966, and 101 in 1967. We thank you for your interest in the past and solicit your continued support.
