Obituary

Expression of Love

Sometimes it's hard to understand

Why some things have to be;

But in His wisdom, God has planned

Beyond our power to see;

So looking back in tenderness

Along the path we've trod,

We shall cherish the years

We have had with you

And leave the rest to God.

The Family

Humbly you suffered through your pain and strife

never once complaining or putting up a fight.

As you traveled to a destination, we all must behold you

helped us to remember the Truth that must be told

God's strength is perfect when our strength is gone.

He'll carry us when we can't carry on.

Only by his power does the weak become strong.

Through your suffering, you proved this can't

be wrong so as you spread your wings to fly away,

Just know you touched lives everyday,

Whether it was with the Swinging of your Hammer or a kiss on the head.

The memory of your love and strength will end the tears we shed.

Husband, Daddy, Grand Daddy we loved you

and we all shared your suffering.
