Grandmother,

You have given
your family a priceless gift -
A strong foundation
of pride and determination
that's prepared us
to meet life head-on.

With the strength of your values
and the tenderness of your love,
you've equipped us
for whatever fate may hold in store...

The only way we can ever
hope to thank you
is to try to live life
as fully and as beautifully
as you have lived yours.

The Grandchildren

*Thank you, Mother
for teaching me self-confidence
and the freedom to be who I am,
to do what I can,
and to solve problems the best I can.*

*Thank you, Mother
for showing me how to
appreciate life
and to find happiness
in whatever comes my way.*

*Thank you, Mother
for holding me close
and letting me go,
all at the same time.*

*Thank you for always being there, and for
always being a friend.*
