

Miss Me. But Let Me Go

When I come to the end of the road
and the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free?
Miss me a little, but not too long
and not with your head bowed low
Remember the love that we once shared
Miss me , but let me go.
For this is a journey we all must take,
and each must go alone
It's a part of the Master's plan
a step on the road to home.
When you are lonely and sick of heart,
go to the friends we know
Bear your sorrow in good deed,
Miss me ,but let me go.
