Classmates and Cousins

We Believe ...
A precious one from us is gone,
A voice we loved is stilled,
There is a vacancy in our home
That never can be filled.
We loved her so very much,
We wish she could have stayed;
But she heard a voice we could not hear,
That said she could not stay.
She saw a hand we could not see,
That beckoned her away.

We are grateful to our many friends for the love and sympathy
you have extended during our bereavement.
Thank you and may God bless you always.
