

*I'd like the memory of me to be a happy one  
I'd like to leave an afterflow of smiles when  
life is done*

*I'd Like to leave an echo whispering softly down  
the way*

*Of happy times, and laughing times, and  
bright and sunny days*

*I'd like the tears of those who grieve, to dry  
before the sun*

*Of happy memories that I leave when life is  
done.*

## Where Is Heaven ?

Where is Heaven ?

Is it somewhere in outer space?

Where does my loved one now dwell

In some far and distant place?

Heaven is all around you..

It's as close as the air and love that surround you

Heaven is everywhere..it's not just in the skies,

It's a spiritual dimension that can't be seen

through the human eye.

How do I know my loved one is safe?

How do I know he is well

How do I know that he made it to Heaven

Is there any way that I can tell?

Your loved one is well in heaven because

he's surrounded by God's love and care

And I can promise you that he made it to

Heaven,because an angel guided him there.

Is there any way that I can tell him, how

much he meant and still mean to us

I'm not sure how to contact him, do you

know what Heaven's address could be?

Just talk...and know that he hear you,

Because you'll never be truly apart;

And Heaven's address ? Well now, that's simple...

Just send your thoughts care of your heart !
