"Foot Prints"

*One night a man had a dream,
He dreamed he was walking along the beach with
the Lord. Across the sky flash scenes of his life. For
each scene he noticed two sets of footprints in the
sand one belonging to him, and the other to the Lord.
When the last scene of his life flashed before him,
He looked back at the footprints in the sand. He
noticed that many times along the path of his life
there was only one set of footprints. He also noticed
that happened at the very lowest and saddest times
in his life. That really bothered him and he
questioned the Lord about it: "Lord, you said that
once I decided to Follow you, You'd walk with me
all the way, But I have noticed that during the most
troublesome times in my life, There is lonely one set
of footprints. I don't understand why when I needed
you the most, you would leave me."*

The Lord replied:

*"My son, my precious child,
I love you and I would never leave you during
your times of trial and suffering, when you see
only one set of footprints,
It was then that I carried you"*

"It's So Hard To Say Goodbye"

*It's so hard to say goodbye
To hold back the tears and dare not cry,
To know your loved will be missed so much
To remember the warmth and your tender touch.*

*It's so hard to say goodbye,
To be left alone and wondering why.
To miss the smile upon your face
But knowing you're in a better place
It's so hard to say good bye.*

*It's so hard to say goodbye
But in my heart I know I'll try.
Everyday I will look up toward the sky
And know I will see you by and by.
"I love you with all my heart"*
