WORDS OF ENCOURAGEMENT

*You are not forgotten loved one,
Nor will you ever be
As long as life and memory last,
We will remember thee.*

*We will you now, our hearts are sore,
As time goes by, We'll miss you more
Your loving smile, your gentle face,
No one can ever fill your place*

**THIS IS NOT GOOD-BYE**

*I never thought this day would come that you and I would not be one. You are and always will be my brother; I'll love you and love you forever. I can't believe that you lived your life and is gone.*

*We had so many plans and so many dreams and deep down, your death seems like a dream. You are gone to a place that none of us here have seen.*

*Jeramie you are always in my heart, you always have been from the start. We went through a lot together and we loved each other more than ever. You were the part of my life that kept me going when nothing else mattered. If I was down you always picked me up. Your beautiful brown eyes and your radiant smile kept me going all the while.*

*Jeramie without you my life feels incomplete. I want you back so bad, but I know your life is over and teats what make it so sad. All I have to say is I won't forget you on anyday and we'll be together again someday. I love you and I'm going to miss you until the very day we'll be together again.*

*This is not goof-bye and it's definitely not the end. I'll love you to the end of my time and never in my life could I have had a better friend alive.  
My brother, my heart, my love forever.  
This is not Good-bye, It's Only the Beginning.*

Love always, your sister,  
Shamena Moffitt
