

Always There

*He was always there to lend a hand
to give advice, to smile
To comfort or encourage,
or just be with us a while.*

*He was a special man
whose love and caring
seem to have no end.*

*He was a teacher, and supporter
he was our "Daddy"
and our life-long friend.*

I'll Miss You

It's only been a day, but already I miss you.

And I find myself wondering just what
I am going to do.

For so many years I've never been alone.

But now I find myself here
and you're gone.

Never again to see your smile
Or think he'll be home after a while.

No one to encourage me when
I'm feeling blue.

I wonder just what am I going to do.

You didn't have the strength

Your body was too weak,

So you closed your eyes
and went to sleep.

My love wasn't enough
to keep you here

Now all I've got left is your
memories to hold dear.

So this is my final good-bye

And I know if you could,
you would say,

"Be strong, and try not to cry"

But if you must grieve, don't grieve long,

Because your life must still go on."

Love,

Lucille
