

Our father was a loving husband and a devoted father whom was a soft-spoken and humble man. He would do what you asked whether he felt his best or not, things such as emptying the trash and mowing the yard for the family and neighbors.

He was always willing to help everyone that he could. A lot of people would call him to carry them to different places. He enjoyed his family, especially the grand and great-grandchildren. He loved to pick them up and take them to games. He would fix up old bikes, toys, and pump up basketballs just for them. What a joy they brought him. He would have this special smile when they came around. He was a special father to Travis, Tera, Tiffany and Tracy who loss their own father when they were younger. Everyone around called him the junk-man because he would always bring something back for anyone he thought could use it. We love him for the special things he did for the family. He enjoyed coming to church, clapping his hands and praising the Lord. We were so glad to see him come. God Bless!!

Loving Memories

*Your gentle face and patient smile
With sadness we recall
You had a kindly word for each
And died beloved by all.*

*The voice is mute and stilled the heart
That loved us well and true,
Ah, bitter was the trial to part
From one so good as you.*

*You are not forgotten loved one
Nor will you ever be,
As long as life and memory last
We will remember thee.*

*We miss you now, our hearts are sore,
As time goes by we miss you more,
Your loving smile, your gentle face.
No one can fill your vacant place.*
