C. ; he leaves his best wishes to a special friend Tim Marsh and a host of nieces and nephews.

*Alton when you were first born,
the doctor said that
you would not live to be twelve years old.
But we thank God for allowing you to shine
and bring so much joy into all of our lives.
You will deeply be missed.
But now we can be assured that you're
not suffering and you will
be rewarded a new body.*

WE LOVE YOU REST IN PEACE.
