On The Wings of Death

*On the wings of death and sorrow, God
 sends us new hope for tomorrow, and in
 his mercy and his grace. He gives us
 strength to bravely face, the lonely days
 that stretch ahead. And no our loved one
 is not dead, but only sleeping and out of
 sight. Until we meet in that land that is
 always bright. Know your loved one has
 just gone away from all the heartaches
 and pain and entered into a world where
 there is a brighter day.*
