-- *Your gentle face and patient smile with  
sadness we recall. You had a kindly word for  
each and died beloved by all.*

-- *The voice is mute and stilled the heart  
that loved as well and true; O, bitter was the trial  
to part from one so good as you.*

-- *You are not forgotten loved one, nor will  
you ever be as long as life and memory last we  
will remember thee.*
