### HOW BEAUTIFUL TO BE WITH GOD

*How beautiful to be with God,  
When earth is fading like a dream,  
And from this mist-encircled shore  
We launch upon the unknown dream  
No doubt, no fear, no anxious care,  
But comforted by staff and rod,  
In the faith-brightened hour of death  
How beautiful to be with God.  
Then let it fade, this dream of earth,  
When I have done my life work here,  
Or long, or short, as seemeth best-  
What matters so God's will appear.  
I will not fear to launch my bark,  
Upon the darkly rolling flood,  
Tis but to pierce the mist-and then  
How beautiful to be with God.*
