To Our Best Friend

*The time has arrived, you seem to have slipped away
So many things we need to do, so many things we need to say.*

*You have been gone for awhile now, but it gets harder everyday.
We would have given anything if God would've let you stay.*

*Tears are brought to our eyes each time we think about you,
Each time we remember the way you were
All the things we went through.*

*You were our best friend, but now you've gone away.
A place where we pray to be soon and forever there we'll stay.*

*We truly miss you
The Family*
