Rev. Roger L. Hunter
Pastor

Welcome to all of you, to a very high moment in the history of Hayes Chapel United Methodist Church. This has been an exciting year for us. With the help of the Lord and dedicated Christians, Hayes Chapel has accomplished what some might call, "The Impossible Dream."

There have been obstacles along the way. With God's help, Hayes Chapel was able to move ahead. Hayes Chapel can truly sing aloud today, "We've Come A Long Way Lord, A Mighty Long Way."

To the chairpersons, officers, and committee members of the Building program, and to all others who have co-operated so graciously in making this consecration possible, we are truly grateful.

We extend special thanks to Bishop Allen and District Superintendent Allred for their guidance, encouragement, and support.

May God Bless You,

Rev. R. L. Hunter
Pastor

HAYES CHAPEL UNITED METHODIST CHURCH

HISTORICAL STATEMENT

From its inception in the 1880's with the members 'singing, praying, and working for God', Hayes Chapel United Methodist Church has been significant in the lives of the people in this community. Officers and members of Hayes Chapel have carried on a Christian ministry to members and non-members alike. Also, through the mission program of the general church, we shared in and outreach across the world.

Our original facility, a frame building, was located partly on this very site. That modest plant served our congregation into the middle of the twentieth century. Then, the recently vacated concrete block structure to the south, was built in 1949-50. That facility, too, became inadequate.

During the pastorate of the Rev. Harry A. Smith, a drive was begun to repair and remodel that plant. That project had its culmination in the construction of this inspiring, worshipful edifice, under the leadership of our current pastor, Rev. Roger L. Hunter, and District Superintendent G. Howard Allred.

Other pastors serving Hayes Chapel United Methodist Church during this building period were C.E. Dungee, David Dunlap, Arthur R. Hall, P.G. Carter, and Franklin A. Garrett. District Superintendents during this time were J.J. Patterson, J.W. Gwynn, J.C. Peters, Cecil H. Marcellus, and D.P. Smotherman, as well as Rev. Allred.

Our earliest recorded minister was Rev. Wyatt Walker, 1892,
followed by these:

		R.L. Hunter	1981 - present

Pioneer recorded officers included Byrd Hayes, Lydia Hayes, Luther Lowe, John Malloy, Green Hayes, Nat Hayes, and Henry Hayes.

Evolving from that early ministry as ordained Methodist preachers were John Gwyn, Robert W. Winchester and Walter F. Lomax.

These soldiers of the cross served long and well. Their charges ranged from local preachers to District Superintendents to General Conference delegates. A recent person of Hayes Chapel United Methodist Church ordained by the Western North Carolina Conference is Sadye Joyner Milton. Her ministry is now with the Greensboro District.

The completion and consecration of Hayes Chapel United Methodist Church represent a labor of love, patience, and dedication. Fulfilled pledges, long service, and sometimes stressful endurance by committed members and friends have helped to make a reality of this long nurtured dream. Many faithful saints of this Christian fellowship did not live to see the seed they planted and nurtured come to fruition. Their lives and labors will always be an inspiration to the Hayes Chapel Church Family.

In addition to local involvement, encouraging support has come from The Duke Endowment Fund, The Ethnic Minority Local Church, The Northeast District Board of Missions, and the General Board of Global Ministries. These agencies of the United Methodist Church have contributed meaningful spiritual, moral, and financial expertise to our building program. Among persons co-ordinating these services have been Rev. Jack Williams, Rev. Cecil Marcellus, Ms. Maxine West, our D.S. Allred, and our Bishop L. Scott Allen.

It is with humility and gratitude that we acknowledge God's presence, guidance, and sustaining power as we reach this high point in our Christian journey. Giving all Glory to God, we seek Blessings from His Holy Spirit from this time on.
