MEMORIAL INDUSTRIAL SCHOOL CAMPUS

"FATHER'S DAY"

SUNDAY, JUNE 18, 1950 — 4:00 P. M.

*"The Highest of distinctions is service to others."*

(KING GEORGE VI OF ENGLAND)

•

The purpose of this program is to pay a small measure of respect to Mr. R. C. Haberkern for his many years of devotion and untiring service to the Memorial Industrial School. In a community distinguished by the high quality of service rendered by volunteer workers in civic enterprises the example of Mr. Haberkern yet stands out as a beacon light. Assuming the presidency of the Board of Directors of the institution 27 years ago, he has guided it from modest and meager beginnings to its present high place as an institution providing an outstanding and necessary service to the community. Those who know the school's history will testify to the fact that his personal interest in every phase of the life of the school has been the greatest single factor in its growth and development. In a true sense, he has been "Father" to the boys and girls of the Memorial Industrial School. It is therefore fitting and proper that on this "Father's Day" of 1950, we pause briefly and say to this great humanitarian:

"THANK YOU".
