Why

Why did she have to go? Why did she have to leave? Why couldn't we say how we felt? before she had to leave us. But why so soon did she leave us alone?

Why can't she still be here? Showing us all her cheer, but why can't she be here for her laughs, smiles and not tears? She left us all in pain, but she didn't have to suffer. No more will she be, but in our thoughts, prayers and memories. But I guess we all know why we all couldn't say good-bye. But here's a time that we can really say we love you. Now before I close I have to really say, Granny, I'll never forget you because we all have a time someday. But Granny I know you hear me as I say to you, that we love you and we will never forget you.

*Your grandchild,
Nannette*

"IRENE"

*To go through life, reaching and
touching souls
To lift up people so they can
reach their goals
To give a smile and expect nothing
back
To work at your best throughout life
and not get slack.
To do for others before you think
of yourself
To give and give until you have
nothing left.
To love without respect of person
or color.
To know we are All God's children
sisters and brothers.
To be a mother to all whether
nice, rude, friendly, or mean
To she, and incredible woman
that was Ms. Irene.*
