## *To Mother With Love*

There's a special kind of closeness  
That only families know,  
That begins with childhood trust  
And deepens as you grow,  
There's a special kind of happiness  
In sharing little things,  
The laughter, smiles, and quiet talks  
That daily living brings,  
There's a special kind of comfort  
In knowing your family's there,  
To back you up, to cheer you up,  
To understand and care - -  
Of all the treasures life may bring  
Your family means the most,  
And whether near or far apart  
That love will hold you close.
