"To live in hearts we leave behind is not to die!"

The Obituary

MR. IVORY LEVANDER LEE, son of the late James Levander Lee and of the late Mrs. Bessie Harris Lee, was born on December 12, 1928 in Chatham County.

He attended the public schools of his community, and he was graduated from Horton High School.

Joining Mt. View AME Zion Church, he served faithfully throughout his life time. His quiet, unassuming manner always prevailed in his activities.

Compassion and kindness were among his many attributes, as well as his helpfulness and his willingness to listen to others. Young and old alike were among his many friends.

Following a critical illness of several weeks, he departed this life on December 26, 1990 at the age of 62 years.

He leaves to mourn his passing from labor to reward: four loving sisters, Mrs. Inez Stancil, Mrs. Thelma Shearer and Mrs. DeLaine Dobson, all of Washington, D. C., and Mrs. Myrtle Laster of New Hill, N. C.; four aunts; an uncle; five nieces; six nephews; many cousins; four great-nieces; four great-nephews, and a host of family friends.

*"The things you've done for others
In your own unselfish way
Just can't be shrugged off, Brother,
For they are in our hearts to stay.
They come to mind so often,
And they prompt good wishes too
That the joy you've given others,
Rest, in turn, will give to you."*

Sorrowfully submitted,
