This our Fifth Annual Directory, is offered to the good people of Winston and Salem. It is not a perfect Directory, because such a production has never been known since Adam claimed a monopoly of the census; but it is equal to all reasonable requirements.

A Directory is a work the most prone of all to errors, from the fact that information is received from all sources, and in many cases given in a manner calculated to mislead, but we believe the present volume will be found entirely free of errors that will in any way detract from the value of the book.

Considerable difficulty has been encountered in our effort to make the work thorough and complete, yet we claim that there are but few errors. MANY NAMES ARE SPELLED IN HALF A DOZEN DIFFERENT WAYS, AND YET RETAIN THE SAME PHONETIC SENSE. THIS FACT NECESSITATES CAREFUL SEARCH, WHICH WE TRUST WILL BE MADE IN ALL CASES OF DOUBT.

Our Book is completed, and to the public we confidently trust it, knowing that they will appreciate its merits and deal kindly with its faults, and extend thanks to all who so kindly aided us in our work.

Very Respectfully,

E. F. TURNER & CO.,

ROANOKE & SOUTHERN RAILWAY.

This Line, which put on a regular train service between WINSTON-SALEM, N. C., and MARTINSVILLE, VA., on April 20th, 1891, and which will be completed

THROUGH TO ROANOKE, VA.

by the close of 1891, opens up the richest undeveloped country in the great Piedmont section. Besides traversing the

Greatest Bright Tobacco Belt *of the* World,

it has along its line large forests of hard wood timber, extensive deposits of iron ore, and several out-crops of coal, as well as the finest and most easily developed water powers. Extending, as the road will, from the cotton fields to the great coal and iron regions of southwest Virginia, it offers to the manufacturer advantages of location unsurpassed. That

THE PIEDMONT PLATEAU

is to become the section to be relied on for the production of PEACHES to supply the great markets of the east and west is admitted even by the orchardmen of the heretofore unequalled famous section of the peninsula of Delaware and Maryland.

TO THE RAISER OF FRUITS

the territory along the R. & S. road offers cheapness of land and a climate adapted to his vocation.

HOW TO REACH WINSTON-SALEM

—BY THE—

RICHMOND & DANVILLE RAILROAD.

(PIEDMONT AIR LINE.)

Greensboro, N. C., is 29 miles from Salem, and here all persons change cars. There are two Stations. All roads, save the C. F. & Y. V., centre at the Richmond & Danville depot. The C. F. & Y. V. Station is only a few hundred feet distant. Transfer of baggage is made at this point at a cost of a few cents. Passengers can readily walk from one building to the other.

From all roads a change of cars is necessary, but as the Salem train is the last to leave, passengers proceed on one of the two regular daily trains direct to Salem, without a lengthy delay. There are two daily trains from Greensboro to Salem, except on Sunday—only one being run on that day.

Brown & Brown Carry a complete stock of Proprietary Medicine, Paints, Oil and Varnishes which they retail almost at wholesale prices. 312 Liberty Street.
