INTRODUCTORY.

Herewith is presented the City Directory of Greensboro, Salem and Winston, and Gazetteer of Forsyth and Guilford Counties. Pains have been taken to make it complete in all its departments, and while an occasional error, unavoidable in works of this class, may appear, we have no hesitancy in claiming it superior to all former efforts in this line, and we think it will be so appreciated by the general public.

It is our intention to make the publication permanent, every two years, and to add to its usefulness with each volume.

Respectfully,

C. M. GARDNER.

FOR THE SALE OF

LEAF TOBACCO

WINSTON is the largest Plug-manufacturing market in the State. There is no better market in North Carolina or Virginia. Our prices on all grades are equal to any market in either State (North Carolina or Virginia). And we believe ours to be the best Filler and Mahogany Wrapper market IN THE UNITED STATES. A large number of new factories have been built this year, and several new order men are on the market.

Consignments solicited from every quarter. Pers
given to all sales.

REV. EDWARD RONDTHALER, D.D., PRINCIPAL.

REV. JNO. H. CLEWELL, Assistant Principal.

A home and high-class school for girls and young women. Government and discipline kindly, but firm. Painstaking and thorough instruction. No social distractions. Our effort is to secure a simple, cheerful, Christian school life. Eleven resident lady teachers constantly in charge. Seventeen instructors. Great care that scholars may not be overworked. Systematic physical culture. Special arrangments in case of sickness.

PROF FREDERIC AGTHE, recently returned from London, in charge of Music Department.

Beautiful grounds and ample buildings, thoroughly remodeled during the last few years.

Favorable terms, compared with similar high-class schools. For catalogue and circulars, address the Principal.
