UNIVERSITY OF N.C. AT CHAPEL HILL

Mechanics and Investors Union

OF RALEIGH, NORTH CAROLINA

A very successful Financial Company, Chartered by the State of
North Carolina May, 1893

OFFERS THE FOLLOWING WELL-SECURED AND PROFITABLE PLAN FOR THE
INVESTMENT OF MONTHLY SAVINGS:

A Monthly Payment Certificate

which is issued for any amount, from One Hundred to One Thousand Dollars, and is payable one hundred months after date. This Certificate requires a monthly payment or deposit of **EIGHTY CENTS** for one hundred months, for each one hundred dollars named in the Certificate. The following Certificates are also issued by the Company:

- For 100 deposits of 80 cents the Union will pay \$100 in 8 years, 4 months.
- For 80 deposits of \$1.00 will pay \$100 in 6 years, 8 months.
- For 70 deposits of \$1.20 will pay \$100 in 5 years, 10 months.
- For 60 deposits of \$1.45 will pay \$100 in 5 years.
- For 50 deposits of \$1.75 will pay \$100 in 4 years, 2 months.
- For 45 deposits of \$2.00 will pay \$100 in 3 years, 9 months.

This plan enables a person to invest savings where it will be secured by bond and mortgage and be returned, together with six per cent. per annum, at the time named in the contract, and on which certificate the Company will, if required, make advances at any time of nearly all that has been deposited. In case of death the certificate will be matured from the Guarantee Fund in accordance with table of values on back of certificate, or the Company will return to the heirs at once every dollar that has been paid.

Certificates are issued in accordance with the above table from 100 to 1,000 dollars.

If you desire to accumulate a FUND for the education of a son or daughter at college, or for any other purpose, you will find this the most certain plan by which to accomplish the purpose.

TEN CENTS PER DAY WILL MATURE A \$400 CERTIFICATE.

THE COMPANY ALSO ISSUES A

Full-Paid Ten-Year Coupon Certificate, \$100

with twenty semi-annual coupons of \$2.25 each, payable June and December. These Coupon Certificates are sold for one payment of \$92, at which price they pay the owner 6 per cent. per annum, free of tax, which is paid by the Company. As security for the above Certificates the income and assets of the Company are invested

In Loans, Secured by Mortgages on Residence Property,

with an average of double the amount loaned, and which loans are repaid by one hundred monthly payments, the property being protected by Fire Insurance Policy.

To make a Happy Fireside

*To make a happy fireside clime
To weans and wife—
That is the true pathos and sublime
Of human life.*

—BURNS.

For *you* and *your* family, *your* mind should be free from care about their future, and *their* minds should be free from care about your crops.

The **Southern Almanac** weather predictions take away this care and worry.

No one will be without the **Southern Almanac** after having had one and watched these weather predictions.

The **Southern Almanac** has the largest circulation of any Almanac published in Virginia and North Carolina—**100,000**.

The Stimpson Computing Scales

ARE THE BEST

Because they are the most accurate and correct in weighing.

Because they are made of the best rust-proof material, with agate bearings throughout.

Because they have the most simple and complete computing device known.

Because they will save you time and money by showing instantly the correct weight and value of any article, without danger of mistakes in computation.
