Independent and Progressive

Baldwin Directory Company, Inc., publisher of this city directory and the world's largest independent publisher of city directories, is in no way connected with any national association, combination or directory "trust". Its policies are laid down with a view to serving the individual directory subscriber and the general public. It is a progressive company, constantly on the alert to improve its service.

The ABCD type of city directory was originated by the Baldwin Directory Company, Inc. While many publishers have been content to rest on their laurels, issuing the same type of directory used thirty years ago, the Baldwin organization has led the way to the production of a modern city directory to meet modern selling and credit conditions.

Newspapers, chambers of commerce, merchants' associations and individual business concerns are invited to write for particulars concerning this type of directory service. In the future, as in the past, Baldwin directories will stand for the highest ideals in public service.

INTRODUCTION

Baldwin Directory Company, Inc., publishers of your city directory, takes pleasure in presenting the 1940 edition to the general public. A large force of trained enumerators and solicitors worked diligently in the preparation of this volume and we are confident that the result is an authentic and useful city directory.

We have faith in the continued growth of your city and we believe that our directory will take its place as one of the vital instruments for the advancement of your community. Subsequent editions will be issued promptly and regularly.

This volume is an example of the ABCD type of city directory as originated and developed by the Baldwin Directory Company, Inc. In the modern business world with its greatly changed sales and credit systems, the old type of directory has become completely obsolete. In adapting the directory to modern conditions the Baldwin organization is the pioneer. The excellent city directory which your city now has is the result of the progressive spirit of this company and its accurate interpretation of modern business requirements.

SEVEN DIVISIONS OF THE BOOK

The principal parts of the Baldwin Directory are as follows:

1. **The Miscellaneous Directory**, contains a great deal of useful information concerning the national, state and local governments. In it are listed the names of members of congress and the state legislature, city and county officials.

2. **The Buyers' Guide and Civic Section** is made up of the advertisements of the leading business firms of the city, announcements of churches, clubs, lodges, associations and schools, and professional cards of public-spirited lawyers, physicians and dentists. The display spaces have been carefully grouped and indexed under headings which are descriptive of the business engaged in by each firm. The Buyer's Guide, when properly arranged and distributed, is of tremendous value in the building of business in the community.

3. **The Resident Directory** contains most of the data concerning the individual. The wife's name is given in parenthesis, and the number of dependents under 16 is shown as well as the ownership of homes. This is followed by position, place of employment and home address.

4. **The Householders' Directory** contains a complete directory of streets and avenues, properly located, gives the names of all householders arranged as they come upon the streets and avenues, indicates ownership of property.

5. **The Business Directory and List of Nationally Advertised Brands** contains the names of all business firms, professional people and non-profit organizations, properly classified. In this division are also listed the names of nationally advertised brands of merchandise, with the name of the local agents or distributors.

6. **The Numerical Telephone Directory** contains telephone numbers arranged in numerical sequence.

SPECIAL ABCD FEATURES

The following valuable information which appears in the ABCD type of directory is not to be found in the old-style city directory:

Number of dependents under sixteen;

Designation of home ownership;

Nationally Advertised Brands.

Numerical Telephone Directory;

Telephone Numbers on Street Guide;

In addition to these valuable features, the ABCD type of directory is more conservatively styled, printed on better paper and more beautifully bound, arranged for more convenient use and contains a much more complete civic section. Directory stands are maintained in the business district for the use of the general public.

THE HOUSEHOLDERS' SUPPLEMENT

After including every conceivable feature which would tend to make the directory as useful and attractive as possible, the originators of the ABCD type of directory made one more bold stroke—they established a guaranteed **home** circulation for advertising matter by issuing the Householders' Supplement and delivering it to the homes of the community. Every advertisement which appears in a Baldwin Directory also appears in the Householders' Supplement, making the Baldwin Directory "America's greatest dollar-for-dollar advertising medium" today.

BALDWIN DIRECTORY CO., INC.

EXPLANATION

All people sixteen years or over are listed.

Wives are listed with their husbands, the wife being shown in parenthesis as follows: Smith Robt R (Mary L.)

The number of children under sixteen years is shown after the wife's name as follows: Smith Robt R (Mary L) 3.

The ®, both in the resident directory and the householders' directory designates ownership of the home.

In case of a natural widow this fact is shown with the name of the deceased husband in parenthesis, whenever possible, as follows: Smith Mary L (wid Robt R).

The occupation and place of employment are shown as follows: Smith Robert R (Mary L) clk Hub Clothing Co.

The residence of each person is shown, "h" denoting a householder or head of the shown with the "h". Thus, a circular mailed to each householder will reach every family, "r" denoting people in the home. Only one person at each home should be home in the city.

Individually in addition to their regular listing with their husbands, as follows: Smith

Married women, engaged in some other occupation than housekeeping, are listed Mary L (Mrs Robt R) bkpr Henry Jones & Co r 210 Main.

Names in heavy type denote patrons of the directory and are usually the leading firms in each line of business.

Persons living outside the city limits and receiving mail in the country are marked RD.

The letters BD shown on some entries indicate Buyers Directory.

Colored is shown by a © The publishers are very careful in using this, but do not assume any responsibility in case of error.

This directory contains all the regular departments of the modern city directory and many features used by no other publisher in the United States.

A numerical telephone directory will be found in the back of the directory listing each telephone according to number.

The classified business directory lists each firm according to line of business

The numerical street directory lists each street alphabetically and each house according to number, with the street intersections as they appear. After each householder's name will be found his telephone number. In case he has no telephone the nearest telephone may be found. The ® denotes householders who own the house in which they live.

The buyers' guide carries the printed messages of the city's leading business and professional firms arranged alphabetically according to classifications.

This directory shows the exact population of the city and environs at the present time.

General Summary

L

Goldsboro is widely known as "Eastern Carolina's Agricultural and Industrial Center." It is the gateway to a prosperous agricultural section of the state and is one of the best laid out cities of the section.

Although in a rich agricultural area, Goldsboro is also generally recognized as possessing a balanced and diversified industrial life.

Goldsboro is the county seat of Wayne County and is one of the largest of 12 townships in this county. The county population is near 58,000. It is well known, too, for its beautiful homes.

Goldsboro's principal industries include those related to agriculture and lumber. These products include fertilizers, cotton yarn, cottonseed products, ice, lumber, furniture, building materials, dairy products, bottled drinks, bakery products and foundry products.

Although not actually engage in manufacturing, the tobacco re-drying plants located in Goldsboro are essential factors in the industrial life of this section, particularly from the standpoint of employment and payroll. These re-drying plants prepare tobacco from a stemming, steaming and grading process for its manufacture into other tobacco products.

Agriculture

Wayne County is primarily an agricultural county, with most of its income derived directly or indirectly from agricultural products. Principal crops are tobacco, cotton and corn, although there is coming to be an increase of livestock, swine and grains. The following commodities are grown in reasonable proportions: Wheat, peanuts, rye, cowpeas, soybeans, cowpea hay, truck crops—cabbage, dewberries, beets, beans, English peas, strawberries, melons, cucumbers, Irish potatoes and sweet potatoes. Many of these crops are grown in quantities for commercial sale, as well as for home consumption.

Location

✓ Goldsboro is located on three railroads and at the junction of two main U. S. highways as well as two major State highways. It is centrally situated at the hub of a network of roads which make for easy travel to many metropolitan cities. It is on the Sea Level Route, recognized as one of the short routes from Northern cities to Southern points, passing through the level coastal area. Many companies have selected Goldsboro as a popular distributing center for Eastern North Carolina.

Climate

^ Goldsboro has a mean average temperature of 61 degrees, an altitude of 104 feet and an average rainfall of 52.87 inches. Its climate is ideal. Not far distant are the finest surf beaches on the Atlantic coast. The mildest weather prevails and the favorable climate adds to the healthful environment.

Power, Light, Gas and Water

The electric and gas plants are private utilities, as is the telephone company. The City of Goldsboro owns its water plant. The watershed and storage space are ample to meet every requirement. The filtering and pumping systems serve every section of the city, the daily average pump amounting to 900,000 gallons. Under a rural electrification project, thousands of citizens in rural areas will be served from Goldsboro.

Education

Goldsboro and Wayne County Schools rank among the finest of the State. In the Goldsboro city school system is the Progressive Education Plan which has brought recognition from many leading school officials. Also in the Goldsboro high school the Diversified Occupations program is a practical system of vocational education. The buildings of the city school system are valued in excess of \$2,000,000.

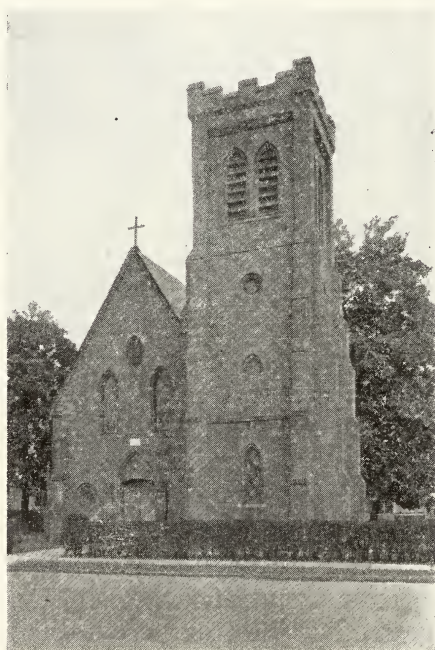

Churches

✓ Goldsboro is not neglectful of the religious activities, and in the city 19 denominations have 45 churches, for both white and Negro citizens. The following denominations are represented: Adventist (Seventh

Day), Baptist (Missionary), Primitive Baptist, Free Will Baptist (two different conferences), Catholic, Christian, Disciples of Christ, Protestant Episcopal, Friends, Pentecostal Holiness, Apostolic Holiness, Jewish, Methodist, Lutheran, Mormon, Presbyterian, Full Gospel, and the Salvation Army.

Hotels

Goldsboro has a large modern hotel, two small commercial hotels, several modern tourist homes, boarding houses and apartment houses.

Churches Serve to Balance a Community

Theatres

Goldsboro has two theatres for white people and one for Negroes, each well-equipped and booking the latest movie entertainment.

Radio Station

Goldsboro is the home of Radio Station WGBR, located one-half mile west of the city on the Raleigh highway. The station operates on a fre-

quency of 1370 kilocycles, and 250-watt power. It is equipped with the latest in radio broadcasting apparatus.

Civic Clubs

The civic life of the community is provided for in a number of strong, thriving and progressive organizations. These render civic, fraternal, patriotic and social service: Rotary, Kiwanis, Lions, Civitans and Business and Professional Womens Clubs; two Masonic Lodges, the Odd Fellows, the Junior Order, the Woodmen of the World; Wayne Post No. 11 of the American Legion; the Legion Auxiliary; the Goldsboro Women's Club; Elks Club; the Junior Chamber of Commerce; the Grange. All take an active part in all civic work. The leadership of civic work, however, is assumed by the Goldsboro Chamber of Commerce and Merchants Association, Inc., which is constantly alert to the community's welfare. All other organizations in Goldsboro co-operate with the Chamber of Commerce when the occasion demands, and this has developed a co-operative feeling in the city.

Hospitals

Exceptionally favored from a standpoint of health, yet Goldsboro and Wayne County are equipped with a modern hospital. It was rated in 1940 as the leading hospital in the state for its observance of American Hospital Week in which all the community took part. Men of high rating in the medical profession are on the staff of the Goldsboro Hospital.

In addition to this hospital maintained by Goldsboro and Wayne County, the Eastern branch of the State Orthopedic Hospital is located in Goldsboro, and two miles from the City is the State Hospital for Negro Insane, more than 2,300 patients being treated there annually.

Recreation

A municipal stadium as a part of the city's new recreational center was occupied first during 1940. This has a seating capacity of 2,500 and on the playing field are a baseball diamond and a football gridiron. Adjacent are several acres on which are built tennis courts and softball diamonds, and a modern golf course. In Herman Park are modern tennis courts and nearby on the Kinston Highway is the Goldsboro Horse

Show Association's ring where two annual horse shows are staged, one in the Spring and one in the Fall.

Fifteen miles southeast of Goldsboro is located Camp Tuscarora, a Boy Scout camp which serves the four counties of Wayne, Duplin, Johnston and Sampson. The camp is used principally in the summer, although Scouts spend week-ends in camping through the year at various periods.

Wayne County Memorial Community Building

City Hall

The City of Goldsboro houses all the branches of city government, except the Street Department and Fire Department, in the municipal building on North Center street. The Mayor, City Manager, Tax Office, Police Department, and Water Department have offices there. The mayor and five aldermen, one from each ward, are elected for office each two years.

Cotton Market

Goldsboro is known over a large area of Eastern Carolina for its cotton market, with sales mounting in volume each year. A number of cotton gins serve Wayne County and from them the cotton growers bring thousands of bales of their cotton to Goldsboro for sale on the open market or for storage in two large brick bonded warehouses. These storage warehouses, both of which are bonded by the Federal and State warehouse systems, protect cotton from the weather and hold it in store for the full market value.

Goldsboro is a growing city. Its facilities are among the finest for continued industrial and agricultural expansion. Schools, churches, libraries, modern business institutions, progressive merchants, civic leaders and public officials are united to keep the city at the front in all worthwhile endeavors.

Goldsboro Chamber of Commerce

Today Goldsboro is an ideal location for more industry. The diversified industries now located here are in a flourishing condition. The combinations of climate, health, hospitality, and other assets will produce a steady growth in population and wealth, justifying the judgment of investors and home-seekers who come here for permanent location.

The Goldsboro Chamber of Commerce has dedicated itself to the cause of building a Greater Goldsboro. It seeks to promote trade events, agriculture through better marketing, industry and better business relations, as well as to serve as a clearing house and general bureau of information. Its interest is Goldsboro's betterment.

Write or wire our office in Hotel Goldsboro for detailed information about Goldsboro. Join us in our effort to build a Greater Goldsboro. Address your inquiry to: Goldsboro Chamber of Commerce, Hotel Goldsboro, Goldsboro, N. C.

Resident Directory
1940

Containing the full name, husband or wife's name, number of children under 16, designation of home ownership, position and employer and home address of all persons over 16 years of age residing in this city and environs.

The publishers wish to express their appreciation to the business and professional establishments for the splendid cooperation and valuable assistance given them in preparation of this volume.

A list of abbreviations in this directory will be found on the following page and a general index on page 3. The information herein contained was taken by trained enumerators in a house-to-house canvass of the city and adjacent territory, and checked with data supplied by employers. The publishers offer it as the most reliable information available but do not assume any responsibility for errors.

Number of dependents under 16 is indicated after name
